**Federal Emergency Management  
 Agency**

**Agency Information Collection  
 Activities: Proposed Collection;  
 Comment Request**

**AGENCY:** Federal Emergency  
 Management Agency, Emergency  
 Preparedness and Response Directorate,  
 U.S. Department of Homeland Security.  
**ACTION:** Notice and request for  
 comments.

**SUMMARY:** The Federal Emergency  
 Management Agency, as part of its  
 continuing effort to reduce paperwork  
 and respondent burden, invites the  
 general public and other Federal  
 agencies to take this opportunity to  
 comment on a proposed continuing  
 information collection. In accordance  
 with the Paperwork Reduction Act of  
 1995 (44 U.S.C. 3506(c)(2)(A)), this  
 notice seeks comments concerning the  
 need to continue collecting information  
 from state, local, and tribal government  
 officials; businesses; and, individuals  
 residing in the immediate and

surrounding areas of chemical stockpile  
 sites.

**SUPPLEMENTARY INFORMATION:** The  
 Chemical Stockpile Emergency  
 Preparedness Program (CSEPP) is one  
 facet of the multi-hazard readiness  
 program in eight U.S. states that deal  
 with hazardous material spills or  
 releases. The program's goal is to  
 improve preparedness to protect the  
 people of these communities in the  
 unlikely event of an accident. CSEPP, a  
 cooperative effort between FEMA and  
 the U.S. Army, provides funding  
 (grants), training, community outreach,  
 guidance, technical support and  
 expertise to State, local, and tribal  
 governments to improve their  
 capabilities to prepare for and respond  
 to this type of disaster. Since no  
 preparedness program can be successful  
 without the public's understanding and  
 cooperation, input from the residents  
 and businesses of immediate and/or  
 surrounding areas is vital to program  
 managers' ability to design custom-  
 tailored strategies to educate and  
 communicate risks and action plans at  
 the local level. This survey, which was  
 initiated three years ago, will continue  
 as the assessment mechanism to  
 document and quantify program  
 achievements. There are two authorities  
 supporting this information collection:  
 (1) The Government Performance  
 Results Act of 1993 (GPRA), which  
 mandates federal agencies to provide  
 valid and reliable quantification of  
 program achievements, and (2)  
 Executive Order 12862, which requires

agencies to survey customers to  
 determine their level of satisfaction with  
 existing services.

**Collection of Information**

*Title:* Chemical Stockpile Emergency  
 Preparedness Program (CSEPP)  
 Evaluation and Customer Satisfaction  
 Survey.

*Type of Information Collection:*  
 Extension of a currently approved  
 collection.

*OMB Number:* 1660-0057.

*Abstract:* Consistent with

 Stockpile Preparedness Program  
 (CSEPP) will continue collecting data  
 from state, local, and tribal  
 governments; individuals; and,  
 businesses residing in the immediate or  
 surrounding areas of eight chemical  
 stockpile sites. This study will: (1)  
 Assess program effectiveness using five  
 national performance indicators unique  
 to the CSEPP program, (2) measure and  
 monitor customer satisfaction with  
 CSEPP products and services, and (3)  
 identify weaknesses and strengths of  
 individual sites and program  
 components. Data findings will be used  
 to set customer service standards, while  
 providing quantitative benchmarks for  
 program monitoring and evaluation.

*Affected Public:* State, local, and tribal  
 government officials; individuals; and  
 businesses.

## DEPARTMENT OF HOMELAND SECURITY

### Federal Emergency Management Agency

#### Agency Information Collection Activities: Proposed Collection; Comment Request

**AGENCY:** Federal Emergency Management Agency, Emergency Preparedness and Response Directorate, U.S. Department of Homeland Security.

**ACTION:** Notice and request for comments.

**SUMMARY:** The Federal Emergency Management Agency, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on proposed continuing information collections. In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3506(c)(2)(A)), this notice seeks comments concerning FEMA contractors who plan meetings, conferences and seminars, submit a plan or report to FEMA detailing how the minimum accessibility standards for the disabled are being met.

**SUPPLEMENTARY INFORMATION:** Section 504 of the Rehabilitation Act of 1973, as amended, prohibits Federal agencies from discriminating against qualified persons on the grounds of disability. The law not only applies to internal employment practices but also extends to agency interaction with members of the public who participate in FEMA programs. (FEMA's implementation of Section 504 of this Act is codified in 44 CFR Part 16.) Contractors who plan meetings, conferences, or seminars for FEMA must develop a plan to ensure that minimum accessibility standards for the disabled as set forth in the contract clause will be met. The plan must be approved by a FEMA Contracting Officer.

*Collection of Information:*

*Title:* FEMA Contract Clause—Accessibility of Meetings, Conferences and Seminars to Persons with Disabilities.

*Type of Information Collection:* Extension of a currently approved collection.

*OMB Number:* 1660-0028.

*Abstract:* Contractors who plan meetings, conferences or seminars for FEMA must submit a plan to the Contracting Officer detailing how the minimum accessibility standards for the disabled set forth in the contract clause will be met.

*Affected Public:* Business and other for-profit.

*Estimated Total Annual Burden*

*Hours:* 30 hours. FEMA estimates that a maximum of 10 FEMA contracts will be awarded per year, which may require compliance with this clause. Hour burden response is estimated at 3 hours per respondent. There would be one response per year per contract, using a consolidated plan for multiple meetings under the contract.

*Estimated Cost:* The annual cost to respondents is estimated to be \$1,033 (\$34.44 per hour × 3 hours per respondent × 10 responses.) Annual costs to the Federal Government is

estimated at \$689.00, which includes the cost for reviewing each plan by one Contracting Officer and one Equal Rights Manager (\$34.44 per hour × 1 hour per review × 10 plans) × 2).

*Comments:* Written comments are solicited to (a) Evaluate whether the proposed data collection is necessary for the proper performance of the agency, including whether the information shall have practical utility; (b) evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (c) enhance the quality, utility, and clarity of the information to be collected; and (d) minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses. Comments should be received within 60 days of the date of this notice.

**ADDRESSES:** Interested persons should submit written comments to Muriel B. Anderson, Chief, Records Management Section, Information Resources Management Branch, Information Technology Services Division, Federal Emergency Management Agency, Emergency Preparedness and Response Directorate, Department of Homeland Security, 500 C Street, SW., Room 316, Washington, DC 20472.
