

SUMMARY: On August 3, 2004, the Chairman of CITA received four petitions from Sharretts, Paley, Carter & Blauvelt, P.C., on behalf of Fishman & Tobin, alleging that certain woven fabrics, of certain specifications, cannot be supplied by the domestic industry in commercial quantities in a timely manner. The petitions requested that apparel articles of such fabrics assembled in one or more CBTPA beneficiary countries be eligible for preferential treatment under the CBTPA. On August 9, 2004, CITA published a notice in the **Federal Register** (69 FR 48224) soliciting public comments on these petitions, in particular with regard to whether these fabrics can be supplied by the domestic industry in commercial quantities in a timely manner.

On August 24, 2004, CITA received letter from Sharretts, Paley, Carter & Blauvelt, P.C. withdrawing one of the petitions. The fabric covered by the petition that is being withdrawn was identified as Fabric 2 in the **Federal Register** notice. The specifications of this fabric are repeated below.

Description: The Spirit of Service Awards enable the Corporation to recognize exceptional organizations and program participants from each of the Corporation's three programs, Senior Corps, AmeriCorps, and Learn and

Serve America. In 2004, the Corporation plans to establish specific nomination guidelines for each of the programs and develop a formal nomination process, which involves voluntary information collection from non-government individuals.

Prior to 2003, AmeriCorps recognized its outstanding members annually through the All-AmeriCorps Awards, which were initiated in 1999 and presented by President Clinton as part of the 5th anniversary celebration of the program. Senior Corps had recognized its outstanding projects and volunteers at its own national conference, and Learn and Serve America recognized exemplary programs and participants through its Leaders School selection and the President's Student Service Awards.
