In addition, MSPA sections 201(g) and 301(f) require providing such information in English or, as necessary and reasonable, in a language common to the workers and that the U.S. Department of Labor (DOL) make forms available to provide such information. DOL prints and makes optional Form WH-516, Worker Information—Terms of Conditions of Employment, available for this purpose. MSPA sections 201(a)(8) and 301(a)(1)(H) require disclosure of certain information regarding State workers' compensation insurance to each migrant or seasonal agricultural worker (*i.e.*, whether State workers' compensation is provided and if so, the name of the State workers' compensation insurance carrier, the name of each person of the policyholder of such insurance, the name and the telephone number of each person who must be notified of an injury or death and the time period within which this notice must be given). Respondents may also meet this disclosure requirement, by providing the worker with a photocopy of any notice regarding workers' compensation insurance required by law of the state in which such worker is employed. The terms and conditions required to be disclosed to workers are set forth in sections 500.75(a) and (b) and 500.75(a), (b) and (c) of Regulations, 29 CFR part 500, Migrant and Seasonal Agricultural Worker Protection. Regulations 500.75(a) and 500.76(a) allow respondents to complete and disclose to workers the terms and conditions of employment using the DOL-developed optional form WH-516 to satisfy these requirements. Optional Form WH-516 may be used by the respondent to disclose employment terms and conditions in writing to migrant and seasonal agricultural workers. This information collection is currently approved for use through February 28, 2005.

Thomas S. Elleman.

This proceeding concerns the September 25, 2003 application of Dominion Nuclear North Anna, LLC (Dominion) for a 10 CFR Part 52 early site permit (ESP). The ESP application seeks approval of the site of the existing North Anna nuclear power facility in Louisa County, Virginia, for the possible construction of two or more new nuclear reactors. In response to a November 25, 2003 notice of hearing and opportunity to petition for leave to intervene, 68 FR 67489 (Dec. 2, 2003), on January 2, 2004, the Blue Ridge Environmental Defense League (BREDL), the Nuclear Information and Resource Service (NIRS), and Public Citizen (PC) (collectively the North Anna Petitioners) filed a request for hearing and petition to intervene contesting the Dominion ESP application. On March 2, 2004 the Commission referred the petition to the Atomic Safety and Licensing Board Panel to conduct any subsequent adjudication. CLI-04-08, 59 NRC 113, 118-19 (2004). On March 22, 2004, a three-member Atomic Safety and Licensing Board was established to adjudicate this ESP proceeding. 69 FR 15910 (Mar. 26, 2004).
