## DEPARTMENT OF AGRICULTURE

### National Agricultural Statistics Service

#### Advisory Committee on Agriculture Statistics

**AGENCY:** National Agricultural Statistics Service, USDA.

**ACTION:** Notice of renewal at USDA.

**SUMMARY:** The U.S. Department of Agriculture (USDA) has renewed the charter for the Advisory Committee for Agriculture Statistics. Effective October 1, 1996, responsibility for the census of agriculture program was transferred to the National Agricultural Statistics Service (NASS) at USDA from the Bureau of the Census, U.S. Department of Commerce. Effective February 2, 1997, NASS also received the transferred program positions and staff from the Bureau of the Census, U.S. Department of Commerce. Responsibility for the Advisory Committee on Agriculture Statistics, which is a discretionary committee, was transferred, along with its allocated slot, to USDA with the census of agriculture program.

The Advisory Committee on Agriculture Statistics has provided input and direction to the census of agriculture program since the committee was first established on July 16, 1962. It has been particularly critical to have the committee as a valuable resource to USDA during the transfer of the census from the U.S. Department of Commerce.

The purpose of the committee is to make recommendations on census of agriculture operations including questionnaire design and content, publicity, publication plans, and data dissemination.

**FOR FURTHER INFORMATION CONTACT:** R. Ronald Bosecker, Administrator, National Agricultural Statistics Service, U.S. Department of Agriculture, (202) 720-2707.

**SUPPLEMENTARY INFORMATION:** Pursuant to the Federal Advisory Committee Act (5 U.S.C. appendix), notice is hereby given that the Secretary of Agriculture has renewed the charter for the Advisory Committee on Agriculture Statistics, hereafter referred to as Committee. The purpose of the Committee is to advise the Secretary of Agriculture on the conduct of the periodic censuses and surveys of

agriculture, other related surveys, and the types of agricultural information to obtain from respondents. The committee also prepares recommendations regarding the content of agriculture reports, and presents the views and needs for data of major suppliers and users of agriculture statistics.

The Secretary of Agriculture has determined that the work of the Committee is in the public interest and relevant to the duties of USDA. No other advisory committee or agency of USDA is performing the tasks that will be assigned to the Committee.

The Committee, appointed by the Secretary of Agriculture, shall consist of 25 members representing a broad range of disciplines and interests, including, but not limited to, agricultural economists, rural sociologists, farm policy analysts, educators, State agriculture representatives, and agriculture-related business and marketing experts.

Representatives of the Bureau of the Census, U.S. Department of Commerce, and Economic Research Service, USDA, serve as ex-officio members of the Committee.

The committee draws on the experience and expertise of its members to form a collective judgment concerning agriculture data collected and the statistics issued by NASS. This input is vital to keep current with shifting data needs in the rapidly changing agricultural environment and keep NASS informed of emerging developments and issues in the food and fiber sector that can affect agriculture statistics activities.

Equal opportunity practices, in line with USDA policies, will be followed in all membership appointments to the Committee. To ensure that the recommendations of the Committee have taken into account the needs of the diverse groups served by USDA, membership shall include, to the extent practicable, individuals with demonstrated ability to represent minorities, women, and persons with disabilities.

Signed at Washington, DC, August 27, 2004.

R. Ronald Bosecker,  
Administrator.

### International Trade Administration

#### Certain Corrosion-Resistant Carbon Steel Flat Products from the Republic of Korea: Notice of Preliminary Results of Antidumping Duty Administrative Review and Antidumping Duty New Shipper Review

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**SUMMARY:** In response to requests from petitioners, the Department of Commerce (the Department) is conducting the tenth administrative review of the antidumping order on corrosion-resistant carbon steel flat products (CORE) from Korea.<sup>1</sup> This review covers three manufacturers and exporters of the subject merchandise: Union Steel Manufacturing Co., Ltd. (Union), Pohang Iron & Steel Company, Ltd. (POSCO), Pohang Coated Steel Co., Ltd. (POCOS), and Pohang Steel Industries Co., Ltd. (PSI) (collectively, the POSCO Group), and Dongbu Steel Corporation, Ltd. (Dongbu). The period of review (POR) is August 1, 2002, through July 31, 2003. In response to a request from Hyundai Hysco (HYSCO), the Department is also conducting a new-shipper review. The POR for the new-shipper review is August 1, 2002, through July 31, 2003.

We preliminarily determine that during the POR, Union, the POSCO Group, Dongbu, and HYSCO did not make sales of the subject merchandise at less than normal value (NV) (*i.e.*, sales were made at "zero" or *de minimis* dumping margins). If these preliminary results are adopted in the final results of this administrative review, we will instruct Customs and Border Protection (CBP) to liquidate appropriate entries without regard to antidumping duties. Furthermore, we rescinded the request for review of the antidumping order for SeAH Steel Corporation (SeAH) because neither SeAH nor its affiliates had exports or sales of subject merchandise to the United States during the POR. For more information, see *Corrosion-Resistant Carbon Steel Flat Products from Korea: Partial Rescission of Antidumping Duty Administrative Review*, 69 FR 25059 (May 5, 2004) (*Partial Rescission of CORE*).

Interested parties are invited to comment on these preliminary results. Parties who submit comments in this segment of the proceeding should also submit with them: (1) a statement of the

<sup>1</sup> Petitioners are the International Steel Group.
