SUPPLEMENTARY INFORMATION: The Advisory Committee on Student Financial Assistance is established under Section 491 of the Higher Education Act of 1965 as amended by Public Law 100-50 (20 U.S.C. 1098). The Advisory Committee serves as an independent source of advice and counsel to the Congress and the Secretary of Education on student financial aid policy. Since its inception,

the congressional mandate requires the Advisory Committee to conduct objective, nonpartisan, and independent analyses on important aspects of the student assistance programs under Title IV of the Higher Education Act. In addition, Congress expanded the Advisory Committee's agenda in the Higher Education Amendments of 1998 in several important areas: Access, Title IV modernization, distance education, and early information and needs assessment. Specifically, the Advisory Committee is to review, monitor and evaluate the Department of Education's progress in these areas and report recommended improvements to Congress and the Secretary.

The FY2004 Consolidated Appropriations Act (H.R. 2673), which was signed into law on January 23, 2004, directs the Advisory Committee to examine the federal financial aid formula and application forms in order to simplify and streamline the programs to make the system easier, more responsive, and fairer for students and families. The Advisory Committee is well suited to conduct this study, drawing upon the expertise of its eleven members and its experience conducting other broad studies on financial aid issues. The Advisory Committee also has the particular mission of examining the impact of these issues on low- and moderate-income students, a specific goal of the study.

The proposed agenda includes: (a) A discussion of the plan and direction for Phase II of the simplification study, and (b) election of officers.
