

to complete the Universal Licensing Service (ULS) data elements since MDS/ITFS has been implemented into ULS. Additional information such as the licensee's email address, fax number, type of applicant, contact's email address and fax number will be added to this form. The Commission is also clarifying data elements, instructions and correction of mailing addresses and Web sites. The increase in the annual cost burden is due to hourly wage and fees within the past three years.

OMB Control Number: 3060-0664.

Title: Certification of Completion of Construction for Multipoint Distribution Service (MDS) Station.

Form No.: FCC Form 304A.

Type of Review: Revision of a currently approved collection.

Respondents: Business or other for-profit.

Number of Respondents: 200.

Estimated Time per Response: .50 hours.

Frequency of Response: On occasion reporting requirement.

Total Annual Burden: 100 hours.

Total Annual Cost: Not applicable.

Privacy Act Impact Assessment: Not applicable.

Needs and Uses: FCC Form 304A is used to certify that the facilities authorized in the FCC Form 304 have been completed and that the station is now operational and ready to provide service to the public. Each licensee must specify as a condition that upon the completion of construction, the licensee file with the Commission a FCC Form 304A, certifying that the facilities as authorized have been completed, the station is operational, and ready to provide service to the public. The conditional license shall be automatically forfeited upon the expiration of the construction period specified in the license within five days after the date an FCC Form 304A has been filed with the Commission.

The Commission is now revising FCC Form 304A to request additional information to complete the Universal Licensing System (ULS) data elements since Multipoint Distribution Service (MDS)/Instructional Television Fixed System (ITFS) has been implemented into ULS. Additional information such as the licensee's email address, fax number, type of applicant, contact's email address and fax number will be added to this collection. The Commission is also clarifying data elements, instructions, and corrections of mailing addresses and Web sites. The decrease in burden hours and costs are due to the decrease in the number of applications estimated to be filed with the Commission.
