

access. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

**Staff report.** The prehearing staff report in the reviews will be placed in the nonpublic record on April 6, 2005, and a public version will be issued thereafter, pursuant to section 207.64 of the Commission's rules.

**Hearing.** The Commission will hold a hearing in connection with the reviews beginning at 9:30 a.m. on April 26, 2005, at the U.S. International Trade Commission Building. Requests to appear at the hearing should be filed in writing with the Secretary to the Commission on or before April 22, 2005. A nonparty who has testimony that may aid the Commission's deliberations may request permission to present a short statement at the hearing. All parties and nonparties desiring to appear at the hearing and make oral presentations should attend a prehearing conference to be held at 9:30 a.m. on April 22, 2005, at the U.S. International Trade Commission Building. Oral testimony and written materials to be submitted at the public hearing are governed by sections 201.6(b)(2), 201.13(f), 207.24, and 207.66 of the Commission's rules. Parties must submit any request to present a portion of their hearing testimony *in camera* no later than 7 days prior to the date of the hearing.

**Written submissions.** Each party to the reviews may submit a prehearing brief to the Commission. Prehearing briefs must conform with the provisions of section 207.65 of the Commission's rules; the deadline for filing is April 15, 2005. Parties may also file written testimony in connection with their presentation at the hearing, as provided in section 207.24 of the Commission's rules, and posthearing briefs, which must conform with the provisions of section 207.67 of the Commission's rules. The deadline for filing posthearing briefs is May 5, 2005; witness testimony must be filed no later than three days before the hearing. In addition, any person who has not entered an appearance as a party to the reviews may submit a written statement of information pertinent to the subject of the reviews on or before May 5, 2005. On June 3, 2005, the Commission will make available to parties all information on which they have not had an opportunity to comment. Parties may submit final comments on this information on or before June 7, 2005, but such final comments must not contain new factual information and must otherwise comply with section 207.68 of the Commission's rules. All written submissions must conform with

the provisions of section 201.8 of the Commission's rules; any submissions that contain BPI must also conform with the requirements of sections 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's rules do not authorize filing of submissions with the Secretary by facsimile or electronic means, except to the extent permitted by section 201.8 of the Commission's rules, as amended, 67 FR 68036 (November 8, 2002).

In accordance with sections 201.16(c) and 207.3 of the Commission's rules, each document filed by a party to the reviews must be served on all other parties to the reviews (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

**Authority:** These reviews are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.62 of the Commission's rules.

Issued: September 15, 2004.

By order of the Commission.

## NUCLEAR REGULATORY COMMISSION

[Docket No. 50-184]

### National Institute of Standards and Technology (NIST); Notice of Acceptance for Docketing of the Application and Notice of Opportunity for Hearing Regarding Renewal of the National Bureau of Standards Reactor (The NBSR) Facility Operating License No. TR-5 for an Additional 20-Year Period

The U.S. Nuclear Regulatory Commission (NRC or the Commission) is considering an application for the renewal of Operating License No. TR-5, which authorizes the National Institute of Standards and Technology (NIST), to operate the National Bureau of Standards Reactor (NBSR) at 20 megawatts thermal power for an additional 20-year period beyond the period specified in the current operating license. The current operating license for the NBSR (TR-5) expired on May 16, 2004.

On April 9, 2004, the Commission's staff received applications from NIST filed pursuant to 10 CFR 50.51(a), to renew the Operating License No. TR-5 for the NBSR. A Notice of Receipt and Availability of the license renewal application, "National Institute of Standards and Technology (NIST) Notice of Receipt and Availability of Application for Renewal of the National Institute of Standards and Technology Reactor (the NBSR) Facility Operating License No. TR-5 for an Additional 20-year Period," was published in the **Federal Register** on May 12, 2004 (69 FR 26414). Because the license renewal application was timely filed under 10 CFR 2.109, the license will not be deemed to have expired until the license renewal application has been finally determined.

The Commission's staff has determined that NIST has submitted sufficient information in accordance with 10 CFR 50.33 and 50.34 that is acceptable for docketing. The current Docket No. 50-184 for Operating License No. TR-5, will be retained. The docketing of the renewal application does not preclude requesting additional information as the review proceeds, nor does it predict whether the Commission will grant or deny the application.

Before issuance of the requested renewed license, the NRC will have made the findings required by the Atomic Energy Act of 1954, as amended (the Act), and the Commission's rules and regulations. Additionally, in accordance with 10 CFR 51.20(b)(2), the NRC will prepare an environmental
