The limits set forth above are subject to adjustment pursuant to the current bilateral agreement between the Governments of the United States and the Socialist Republic of Vietnam.

Products in the above categories exported during 2004 shall be charged to the applicable category limits for that year (see directive dated December 10, 2003) to the extent of any unfilled balances. In the event the limits established for that period have been exhausted by previous entries, such products shall be charged to the limits set forth in this directive.

These limits may be revised if Vietnam becomes a member of the World Trade Organization (WTO) and the United States applies the WTO agreement to Vietnam.

In carrying out the above directions, the Commissioner of Customs and Border Protection should construe entry into the United States for consumption to include entry for consumption into the Commonwealth of Puerto Rico.

The Committee for the Implementation of Textile Agreements has determined that these actions fall within the foreign affairs

exception of the rulemaking provisions of 5 U.S.C. 553(a)(1).

Sincerely,
D. Michael Hutchinson,
Acting Chairman, Committee for the Implementation of Textile Agreements.
