

sustaining the results of *Remand Determination II*. Because there is now a final and conclusive decision in the court proceeding, effective as of the publication date of this notice, we are amending the final determination and establishing the revised countervailing duty rates set forth below.

In a contemporaneous but separate proceeding, on November 17, 2003, the Department published a *Notice of Implementation Under Section 129 of the Uruguay Round Agreements Act; Countervailing Measures Concerning Certain Steel Products from the European Communities*, 68 FR 64858 (Nov. 17, 2003). The Department implemented, among other determinations, its Section 129 determination with respect to the *CVD Order*. The result was a revocation of the *CVD Order* effective November 7, 2003. The Department instructed U.S. Customs and Border Protection ("CBP") to discontinue suspension of liquidation of shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after November 7, 2003.

Finally, the Department has conducted no administrative reviews of the *CVD Order*. As a consequence of the injunction issued by the CIT on April 5, 2001, the Department ordered the suspension of liquidation of all entries of subject merchandise produced or exported by GTS and entered, or withdrawn from warehouse, for consumption, on or after July 26, 1999. Those entries shall be liquidated as set forth below.

#### **Amended Final Determination and Partial Revocation of Order**

Because there is now a final and conclusive decision in the court proceeding, effective as of the publication date of this notice, we are amending the final determination to reflect the results of *Remand Determination II*, i.e., that the countervailable subsidy rate for GTS during the period of investigation is 0.00 percent *ad valorem*. Consequently, we are revoking the *CVD Order* with regard to GTS, for all entries after July 26, 1999 (the date on which the Department published the preliminary countervailing duty determination in *CTL Plate*) through November 7, 2003 (the date on which the Department implemented its Section 129 determination on *CTL Plate*).

Accordingly, pursuant to sections 705(c)(2)(A)–(B) of the Act and effective as of the publication of this notice, the Department will instruct CBP to terminate the suspension of liquidation of, and liquidate without regard to

countervailing duties, all GTS entries entered, or withdrawn from warehouse, for consumption, on or after July 26, 1999, and before November 23, 1999 (the date the Department instructed CBP to discontinue the suspensions of liquidation), and all entries entered, or withdrawn from warehouse, for consumption on or after February 10, 2000 (the date on which the Department published the *CVD Order*), and before November 7, 2003.

This determination is published pursuant to sections 705(d) and 777(i) of the Act.

Dated: September 20, 2004.

#### **Stainless Steel Plate in Coils From Belgium; Extension of Final Results of Expedited Sunset Review of Countervailing Duty Order**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**ACTION:** Notice of extension of time limit for final results of expedited sunset review: Stainless steel plate in coils from Belgium.

**SUMMARY:** The Department of Commerce ("the Department") is extending the time limit for its final results in the expedited sunset review of the countervailing duty order on stainless steel plate in coils ("SSPC") from Belgium. Based on adequate responses from the domestic interested parties and inadequate responses from respondent interested parties, the Department is conducting an expedited sunset review to determine whether revocation of the countervailing duty order would lead to the continuation or recurrence of a countervailable subsidy. As a result of this extension, the Department intends to issue final results of this sunset review on or about October 1, 2004.

**DATES:** Effective September 24, 2004.

**FOR FURTHER INFORMATION CONTACT:**

Hilary E. Sadler, Esq., Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street & Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482–4340.

*Extension of Final Results:*

In accordance with section 751(c)(5)(C)(ii) of the Tariff Act of 1930, as amended ("the Act"), the Department may treat sunset reviews as extraordinarily complicated if the issues are complex. As discussed below, the Department has previously determined that these issues are complex and that an extension is warranted. On April 1, 2004, the Department initiated a sunset review of the countervailing duty order on SSPC from Belgium. *See Initiation of Five-Year (Sunset) Reviews*, 69 FR 17129 (April 1, 2004). The Department, in this proceeding, determined that it would conduct an expedited sunset review of this order based on responses from the domestic and respondent interested parties to the notice of initiation. The Department's final results of this review were originally scheduled for July 30, 2004 and were extended on July 29, 2004. The Department has determined that additional time is still needed for its analysis in making its final determinations.

Because of the complex issues in this proceeding, the Department will extend the deadline for issuance of the final results. Thus, the Department intends to issue the final results on or about October 1, 2004 in accordance with section 751(c)(5)(B) of the Act.

Dated: September 20, 2004.
