[Document No. JFMIP-SR-03-04]

Joint Financial Management Improvement Program (JFMIP)—Federal Financial Management System Requirements (FFMSR)

AGENCY: Joint Financial Management Improvement Program (JFMIP).

ACTION: Notice of document availability.

SUMMARY: The JFMIP is seeking public comment on an exposure draft entitled "Property Management System Requirements," dated September 2004. The draft is a revision to the first Federal Financial Management System Requirements (FFMSR) document to address property systems. The document is intended to assist agencies when developing, improving or evaluating property management systems. It provides the baseline functionality that agency systems must have to support agency missions and comply with laws and regulations. When issued in final, the document will augment the existing body of FFMSR's that define financial system functional requirements which are used in evaluating compliance with the Federal Financial Management Improvement Act (FFMIA) of 1996.

DATES: Comments are due by November 12, 2004.

ADDRESSES: Copies of the exposure draft have been mailed to senior financial officials, chief information officers, and property executives, together with a transmittal memo listing items of interest for which JFMIP is soliciting feedback. The Exposure Draft and comment response matrix are available on the JFMIP Web site <http://www.jfmip.gov>. Responses should be addressed to JFMIP, 1990 K Street, NW., Suite 430, Washington, DC 20006.

FOR FURTHER INFORMATION CONTACT: Bruce Turner, (202) 219-0533 or bruce.turner@gsa.gov.

SUPPLEMENTARY INFORMATION: The FFMA of 1996 mandated that agencies implement and maintain systems that comply substantially with FFMSR, applicable Federal accounting standards, and the U.S. Government Standard General Ledger at the transaction level. The FFMA statute codified the JFMIP financial system requirements documents as a key benchmark that agency systems must meet to substantially comply with systems requirements provisions under FFMA. To support the provisions outlined in FFMA, the JFMIP is updating obsolete requirements documents and publishing additional requirements documents. Comments received will be reviewed and the exposure draft will be revised as necessary. Publication of the final document will be mailed to agency financial officials, procurement executives, chief information officers, and others, and will be available on the JFMIP website.

Karen Cleary Alderman,

Executive Director, Joint Financial Management Improvement Program.

Title: Low Income Home Energy Assistance Program (LIHEAP) Carryover and Reallotment Report.

OMB No.: 0970-0106.

Description: The LIHEAP statute and regulations require LIHEAP grantees to report certain information to HHS concerning funds forwarded and funds subject to reallotment. The 1993 reauthorization of the LIHEAP statute, the Human Service Amendments of 1994 (Pub. We are requesting no changes in the collection of data with the Carryover and Reallotment Report for FY 20__, a form for the collection of data, and the Simplified Instructions for Timely Obligations of FY 20__ LIHEAP Funds and Reporting Funds for Carryover and Reallotment. The form clarifies the information being requested and ensures the submission of all the required information. The form facilitates our response to numerous queries each year concerning the amounts of obligated funds. Use of the form is voluntary. Grantees have the option to use another format.

Respondents: State, Local or Tribal Government.
