

Environmental Quality Regulations for implementing the procedural provisions of the National Environmental Policy Act at 40 CFR 153.3 in addressing these points.

After the comment period on the Draft EIS ends, the comments will be analyzed, considered, and responded to by the NRCS in preparing the Final EIS. The Final EIS is scheduled for completion by the spring of 2006. The responsible officials will consider the comments, responses, environmental consequences discussed in the Final EIS, and applicable laws, regulations, and policies in making a decision regarding this proposed action. The responsible officials will document the decisions and reasons for the decisions in a Record of Decision. That decision will be subject to appeal in accordance with 36 CFR part 215.

Dated: September 24, 2004.

Harold L. Klaege,
State Conservationist.

Regulatory Flexibility Act Certification

I certify that the following action will not have a significant impact on a substantial number of small entities. The major factors considered for this certification were:

1. If approved, the action will not result in any additional reporting, recordkeeping or other compliance requirements for small entities other than the small organizations that will furnish the products to the Government.
2. If approved, the action will result in authorizing small entities to furnish the products to the Government.
3. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 46-48c) in connection with the products proposed for addition to the Procurement List. Comments on this certification are invited.

Commenters should identify the statement(s) underlying the certification on which they are providing additional information.

End of Certification

The following products are proposed for addition to Procurement List for production by the nonprofit agencies listed:
