Forest Service Update
Fertility Control

Lunch (11:30 p.m.-1 p.m.)

1 p.m.-New Business:

Response to Advisory Board
Recommendation

Break (2:30 p.m.-2:45 p.m.)

2:45 p.m. Board Recommendations

4 p.m. Public Comments

4:45 p.m. Recap/Summary/Next
Meeting/Date/Site

5-6 p.m. Adjourn: Roundtable

Discussion to Follow

The meeting site is accessible to individuals with disabilities. An individual with a disability needing an auxiliary aid or service to participate in the meeting, such as interpreting service, assistive listening device, or materials in an alternate format, must notify the person listed under **FOR FURTHER INFORMATION CONTACT** two weeks before the scheduled meeting date. Although the BLM will attempt to meet a request received after that date, the requested auxiliary aid or service may not be available because of insufficient time to arrange it.

The Federal Advisory Committee Management Regulations (41 CFR 101-6.1015(b)), require BLM to publish in the **Federal Register** notice of a meeting 15 days prior to the meeting date.

II. Public Comment Procedures

Members of the public may make oral statements to the Advisory Board on November 8, 2004, at the appropriate point in the agenda. This opportunity is anticipated to occur at 4 p.m., local time. Persons wishing to make statements should register with the BLM by noon on November 8, 2004, at the meeting location. Depending on the number of speakers, the Advisory Board may limit the length of presentations. At previous meetings, presentations have been limited to three minutes in length. Speakers should address the specific wild horse and burro-related topics listed on the agenda. Speakers must submit a written copy of their statement to the address listed in the **ADDRESSES** section or bring a written copy to the meeting.

Participation in the Advisory Board meeting is not a prerequisite for submission of written comments. The BLM invites written comments from all interested parties. Your written comments should be specific and explain the reason for any recommendation. The BLM appreciates any and all comments, but those most useful and likely to influence decisions on management and protection of wild horses and burros are those that are either supported by quantitative information or studies or those that include citations to and analysis of applicable laws and regulations. Except for comments provided in electronic format, speakers should submit two copies of their written comments where feasible. The BLM will not necessarily consider comments received after the time indicated under the **DATES** section or at locations other than that listed in the **ADDRESSES** section.

In the event there is a request under the Freedom of Information Act (FOIA) for a copy of your comments, the BLM will make them available in their entirety, including your name and address. However, if you do not want the BLM to release your name and address in response to a FOIA request, you must state this prominently at the beginning of your comment. The BLM will honor your request to the extent allowed by law. The BLM will release all submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, in their entirety, including names and addresses.

Electronic Access and Filing Address

Speakers may transmit comments electronically via the Internet to:

Janet_Neal@blm.gov. Please include the identifier "WH&B" in the subject of your message and your name and address in the body of your message.

Dated: September 30, 2004.

Thomas H. Dyer,

Assistant Director, Renewable Resources and Planning.

Notice Pursuant to the National Cooperative Research and Production Act of 1993—American Optometric Association Commission on Ophthalmic Standards

Notice is hereby given that, on August 5, 2004, pursuant to Section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* (“the Act”), American Optometric Association Commission on Ophthalmic Standards (“AOA CmOS”) has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing (1) The name and principal place of business of the standards development organization and (2) the nature and scope of its standards development activities. The notifications were filed for the purpose of invoking the Act’s provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances.

Pursuant to Section 6(a) of the Act, the name and principal place of business of the standards development organization is: American Optometric Association Commission on Ophthalmic Standards, St. Louis, MO. The nature and scope of AOA CmOS’s standards development activities are: The AOA CmOS provides for voluntary, impartial ophthalmic product evaluation resulting in the issuance of a seal of acceptance for those ophthalmic products that meet published standards specifications developed by the AOA CmOS, including biological, laboratory, and/or clinical evolutions, or the issuance of a seal of certification for those ophthalmic products that meet standards already approved by accepted standards organizations and which are designated for use by the AOA CmOS. The AOA CmOS selects the categories of products to be evaluated and develops evaluation specifications/standards for those ophthalmic products using the American National Standard Institute’s Third Party Certification Program principles (ANSI Z34.1-1993). Product categories for which the AOA CmOS currently has approved standards are:
