[Docket No. EL04-137-000]

Cabazon Wind Partners, LLC, Complainants v. Southern California Edison Company, Respondents; Notice of Complaint

September 28, 2004.

Take notice that on September 27, 2004, Cabazon Wind Partners, LLC (Cabazon) filed a formal complaint against Southern California Edison Company (SCE) pursuant to section 206 of the Federal Power Act. Cabazon states that the complaint alleges that (1) the failure of the Interconnection Facilities Agreement (IFA) between Cabazon and Edison to provide Cabazon credit for its upfront payments for network upgrades, misclassified as distribution facilities, causes Southern California Edison's transmission rates to be unjust and unreasonable; and (2) the IFA is unjust and unreasonable separately because it requires Cabazon to pay a tax gross-up associated with the misclassified network upgrades.

Cabazon states that copies of the complaint were served on the contacts for (SCE) as listed on the Commission's list of Corporate Officials.

Any person desiring to intervene or to protest this filing must file in

Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed on or before the comment date. Anyone filing a motion to intervene or protest must serve a copy of that document on the Applicant. On or before the comment date, it is not necessary to serve motions to intervene or protests on persons other than the Applicant.
