**[Docket No. RP04-607-000]**

#### North Baja Pipeline, LLC; Notice of Proposed Changes in FERC Gas Tariff

September 29, 2004.

Take notice that on September 23, 2004, North Baja Pipeline, LLC (NBP) tendered for filing as part of its FERC Gas Tariff, Original Volume No. 1, the following tariff sheets, to become effective October 25, 2004:

First Revised Sheet No. 100,  
Second Revised Sheet No. 105,  
First Revised Sheet No. 166,  
Original Revised Sheet No. 202,  
Sheet Nos. 203-229.

NBP states that these tariff sheets are being submitted to make certain minor conforming changes to its Tariff to implement the requirements of Order Nos. 2004, *et seq.*, and the Standards of Conduct pursuant to Part 358 of the Commission’s regulations.

NBP further states that a copy of this filing has been served on NBP’s jurisdictional customers and interested state regulatory agencies.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission’s Rules of Practice and

Procedure (18 CFR 385.211 and 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed in accordance with the provisions of Section 154.210 of the Commission’s regulations (18 CFR 154.210). Anyone filing an intervention or protest must serve a copy of that document on the Applicant. Anyone filing an intervention or protest on or before the intervention or protest date need not serve motions to intervene or protests on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the “eFiling” link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.

This filing is accessible on-line at <http://www.ferc.gov>, using the “eLibrary” link and is available for review in the Commission’s Public Reference Room in Washington, DC. There is an “eSubscription” link on the Web site that enables subscribers to receive e-mail notification when a document is added to a subscribed docket(s). For assistance with any FERC Online service, please e-mail [FERCOnlineSupport@ferc.gov](mailto:FERCOnlineSupport@ferc.gov), or call (866) 208-3676 (toll free). For TTY, call (202) 502-8659.

## DEPARTMENT OF ENERGY

### Federal Energy Regulatory Commission

**[Docket No. CP04-419-000]**

#### Northern Natural Gas Company; Notice of Application

September 29, 2004.

Take notice that on September 22, 2004, Northern Natural Gas Company (Northern), 1111 South 103rd Street, Omaha, Nebraska 68124, filed in Docket No. CP04-419-000 an application pursuant to Section 7(b) of the Natural Gas Act and Part 157 of the Commission’s Regulations, for

permission and approval to abandon a natural gas pipeline suspension bridge (and its appurtenant facilities) spanning the Missouri River in Dakota County, Nebraska, and Woodbury County, Iowa, all as more fully set forth in the application which is on file with the Commission and open to public inspection. This filing may also be viewed on the Commission’s Web site at <http://www.ferc.gov> using the “FERRIS” link, select “Docket #” and follow the instructions (call (202) 502-8222 or for TTY, (202) 502-8659).

Northern proposes to abandon by removal a 2,640-foot cable suspension bridge which supports 3,170 feet of the B-Line’s 16-inch diameter pipeline spanning the Missouri River in Dakota and Woodbury Counties. Northern estimates that it will spend \$550,000 of internally generated funds to abandon and remove the pipe, support cables, anchor structures, and concrete foundations that support the overall bridge structure. Northern states that the concrete foundations will be removed down to two feet below the existing grade.

Northern further states that it replaced the suspension bridge’s B-Line pipeline segment with a 16-inch diameter pipeline via directional drilling under the Missouri River under Northern’s blanket authority granted in Docket No. CP82-401-000<sup>1</sup> and will be reported in Northern’s Annual Report to be filed on or before May 1, 2005. Northern also states that no firm service would be lost to its existing customers since Northern replaced the existing B-Line on the suspension bridge via directional drilling.

Any questions regarding this application should be directed to Michael T. Loeffler, Director, Certificates and Reporting for Northern, 1111 South 103rd Street, Omaha, Nebraska 68124, at (402) 398-7103 or Donna Martens, Senior Regulatory Analyst, at (402) 398-7138.

There are two ways to become involved in the Commission’s review of this project. First, any person wishing to obtain legal status by becoming a party to the proceedings for this project should, on or before the comment date stated below, file with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, a motion to intervene in accordance with the requirements of the Commission’s Rules of Practice and Procedure (18 CFR 385.214 or 385.211) and the Regulations under the NGA (18 CFR 157.10). A person obtaining party status will be placed on the service list

<sup>1</sup> 20 FERC ¶ 62,410 (1982).
