

CIRCULAR WELDED CARBON QUALITY LINE PIPE FROM THE PRC	
Producer/manufacturer/exporter	Weighted-average margin
PRC-wide rate	73.17%

The PRC-wide rate applies to all entries of the subject merchandise.

ITC Notification

In accordance with section 733(f) of the Act, we have notified the ITC of our preliminary determination. If our final determination is affirmative, the ITC will determine before the later of 120 days after the date of this preliminary determination or 45 days after our final determination whether imports of circular welded carbon quality line pipe from the PRC are materially injuring, or threaten material injury to, the U.S. industry.

Public Comment

Case briefs or other written comments must be submitted to the Assistant Secretary for Import Administration no later than 30 days after the date of publication of this notice, and rebuttal briefs no later than 35 days after the date of publication of this notice. Rebuttal briefs must be limited to the issues raised in the case briefs. A list of authorities used and an executive summary of issues should accompany any briefs submitted to the Department. Such summary should be limited to five pages total, including footnotes. In accordance with section 774 of the Act, we will hold a public hearing, if requested, to afford interested parties an opportunity to comment on arguments raised in case or rebuttal briefs.

Interested parties who wish to request a hearing, or to participate if one is requested, must submit a written request to the Assistant Secretary for Import Administration, U.S. Department of Commerce, Room 1870, within 30 days of the date of publication of this notice. Requests should contain: (1) The party's name, address, and telephone number; (2) the number of participants; and (3) a list of the issues to be discussed. At the hearing, oral presentations will be limited to issues raised in the briefs. *See* 19 CFR 351.310(c). We will make our final determination no later than 75 days after the date of this preliminary determination.

This determination is issued and published in accordance with sections 733(f) and 777(i)(1) of the Act.

Dated: September 29, 2004.

James J. Jochum,

Assistant Secretary for Import Administration.

Certain Pasta From Turkey: Notice of Rescission of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of rescission of antidumping duty administrative review.

SUMMARY: In response to a request by the petitioners, New World Pasta Company, American Italian Pasta Company, and Dakota Growers Pasta Company (the Petitioners), the Department of Commerce (the Department) initiated an administrative review of the antidumping duty order on certain pasta (pasta) from Turkey for the period July 1, 2003, through June 30, 2004. For the reason discussed below, we are rescinding this administrative review.

EFFECTIVE DATE: October 8, 2004.

FOR FURTHER INFORMATION CONTACT:

James Terpstra or Dennis McClure, Office 3, AD/CVD Operations, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-3965, or (202) 482-5973, respectively.

SUPPLEMENTARY INFORMATION:

Scope of Review

Imports covered by this review are shipments of certain non-egg dry pasta in packages of five pounds (2.27 kilograms) or less, whether or not enriched or fortified or containing milk or other optional ingredients such as chopped vegetables, vegetable purees, milk, gluten, diastases, vitamins, coloring and flavorings, and up to two percent egg white. The pasta covered by this scope is typically sold in the retail market, in fiberboard or cardboard cartons, or polyethylene or polypropylene bags of varying dimensions.

Excluded from the scope of this review are refrigerated, frozen, or canned pastas, as well as all forms of egg pasta, with the exception of non-egg

dry pasta containing up to two percent egg white.

The merchandise subject to review is currently classifiable under item 1902.19.20 of the *Harmonized Tariff Schedule of the United States (HTSUS)*. Although the *HTSUS* subheading is provided for convenience and customs purposes, the written description of the merchandise subject to the order is dispositive.

Background

On July 1, 2004, the Department published a notice of opportunity to request an administrative review of the antidumping duty order on certain pasta from Turkey. *See Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity to Request Administrative Review*, 69 FR 39903 (July 1, 2004). On August 30, 2004, pursuant to a request made by the Petitioners, the Department initiated an administrative review of Tat Konserve, A.S. and Filiz Gida Sanayi ve Ticaret, A.S. under the antidumping duty order on certain pasta from Turkey. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 69 FR 52857 (August 30, 2004). On September 21, 2004, the Petitioners timely withdrew their request for an administrative review of certain pasta from Turkey.

Rescission of Review

If a party that requested a review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review, the Secretary will rescind the review pursuant to 19 CFR 351.213(d)(1). In this case, the Petitioners withdrew their request for an administrative review within 90 days from the date of initiation. No other interested party requested a review and we have received no comments regarding the Petitioner's withdrawal of their request for a review. Therefore, we are rescinding this review of the antidumping duty order on certain pasta from Turkey.

The Department will issue appropriate assessment instructions directly to U.S. Customs and Border Protection (CBP) within 15 days of the publication of this notice. The Department will direct CBP to assess antidumping duties for each company at the cash deposit rate in effect on the date of entry for entries during the period July 1, 2003, through June 30, 2004.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping and countervailing duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping and countervailing duties occurred and the subsequent increase in antidumping duties by the amount of antidumping and countervailing duties reimbursed.

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This notice is in accordance with section 777(i)(1) of the Act and 19 CFR 251.213(d)(4).

Dated: October 4, 2004.

Jeffrey A. May,
Deputy Assistant Secretary for Import Administration.

Stainless Steel Sheet and Strip in Coils from France; Final Results of the Expedited Sunset Review of the Antidumping Duty Order

[A-427-814]

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of Final Results of Expedited Sunset Review of the Antidumping Duty Order on Stainless Steel Sheet and Strip in Coils from France.

SUMMARY: On June 1, 2004, the Department of Commerce ("the Department") initiated a sunset review of the antidumping duty order on stainless steel sheet and strip in coils ("SSSSC") from France pursuant to section 751(c) of the Tariff Act of 1930, as amended ("the Act"). On the basis of a notice of intent to participate and an adequate substantive response filed on

behalf of domestic interested parties and inadequate responses from respondent interested parties, the Department conducted an expedited (120-day) sunset review. As a result of this sunset review, the Department finds that revocation of the antidumping duty order would be likely to lead to continuation or recurrence of dumping. The dumping margins are identified in the *Final Results of Review* section of this notice.

EFFECTIVE DATE: October 8, 2004.

FOR FURTHER INFORMATION CONTACT: Hilary E. Sadler, Esq., Office of Policy for Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street & Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-4340.

SUPPLEMENTARY INFORMATION:

Background:

On June 1, 2004, the Department published the notice of initiation of the sunset review of the antidumping duty order on SSSSC from France.¹ On June 16, 2004, the Department received a Notice of Intent to Participate from Nucor Corporation; Allegheny Ludlum Corporation; North American Stainless; the United Steelworkers of America, AFL-CIO; the local 3303 United Auto Workers; and Zanesville Armco Independent Organization, Inc. (collectively "domestic interested parties") within the deadline specified in section 351.218(d)(1)(i) of the Department's regulations. The domestic interested parties claimed interested party status under section 771(9)(C) and (D) of the Act, as domestic manufacturers of SSSSC or certified unions whose workers are engaged in the production of SSSSC in the United States. On July 1, 2004, the Department received a complete substantive response collectively from the domestic interested parties within the deadline specified in section 351.218(d)(3)(i) of the Department's regulations. We received a waiver of participation from Ugine & ALZ France. As a result, pursuant to section 751(c)(3)(B) of the Act and section 351.218(e)(1)(ii)(C)(2) of the Department's regulations, the Department determined to conduct an expedited review of this order.

Scope of the Order

For purposes of this review, the products covered are certain stainless steel sheet and strip in coils. Stainless steel is an alloy steel containing, by weight, 1.2 percent or less of carbon and 10.5 percent or more of chromium, with

or without other elements. The subject sheet and strip is a flat-rolled product in coils that is greater than 9.5 mm in width and less than 4.75 mm in thickness, and that is annealed or otherwise heat treated and pickled or otherwise descaled. The subject sheet and strip may also be further processed (e.g., cold-rolled, polished, aluminized, coated, etc.) provided that it maintains the specific dimensions of sheet and strip following such processing. The merchandise subject to this order is currently classifiable in the Harmonized Tariff Schedule of the United States ("HTS") at subheadings: 7219.13.0031, 7219.13.0051, 7219.13.0071, 7219.1300.81², 7219.14.0030, 7219.14.0065, 7219.14.0090, 7219.32.0005, 7219.32.0020, 7219.32.0025, 7219.32.0035, 7219.32.0036, 7219.32.0038, 7219.32.0042, 7219.32.0044, 7219.33.0005, 7219.33.0020, 7219.33.0025, 7219.33.0035, 7219.33.0036, 7219.33.0038, 7219.33.0042, 7219.33.0044, 7219.34.0005, 7219.34.0020, 7219.34.0025, 7219.34.0030, 7219.34.0035, 7219.35.0005, 7219.35.0015, 7219.35.0030, 7219.35.0035, 7219.90.0010, 7219.90.0020, 7219.90.0025, 7219.90.0060, 7219.90.0080, 7220.12.1000, 7220.12.5000, 7220.20.1010, 7220.20.1015, 7220.20.1060, 7220.20.1080, 7220.20.6005, 7220.20.6010, 7220.20.6015, 7220.20.6060, 7220.20.6080, 7220.20.7005, 7220.20.7010, 7220.20.7015, 7220.20.7060, 7220.20.7080, 7220.20.8000, 7220.20.9030, 7220.20.9060, 7220.90.0010, 7220.90.0015, 7220.90.0060, and 7220.90.0080. Although the HTS subheadings are provided for convenience and customs purposes, the Department's written description of the merchandise under review is dispositive.

Excluded from the review of this order are the following: (1) sheet and strip that is not annealed or otherwise heat treated and pickled or otherwise descaled, (2) sheet and strip that is cut to length, (3) plate (i.e., flat-rolled stainless steel products of a thickness of 4.75 mm or more), (4) flat wire (i.e., cold-rolled sections, with a prepared edge, rectangular in shape, of a width of not more than 9.5 mm), and (5) razor blade steel. Razor blade steel is a flat-rolled product of stainless steel, not

¹ See *Initiation of Five-Year ("Sunset") Reviews*, 69 FR 30874 (June 1, 2004) ("Initiation Notice").

² Due to changes to the HTS numbers in 2001, 7219.13.0030, 7219.13.0050, 7219.13.0070, and 7219.13.0080 are now 7219.13.0031, 7219.13.0051, 7219.13.0071, and 7219.13.0081, respectively.
