SUPPLEMENTARY INFORMATION:

Background

The Airport and Seaport User Fee Advisory Committee was created under the authority of 8 U.S.C. 1356(k) (section 286(k) of the Immigration and Nationality Act, as amended; see also the Federal Advisory Committee Act (5 U.S.C.A. App. section 2)) to meet periodically and advise the Attorney General on issues related to the performance of certain inspectional services performed by the Immigration and Naturalization Service (INS). Since the legacy INS inspection component has been merged with the U.S. Customs Service (along with other agencies) to form the Bureau of Customs and Border Protection (CBP), effective on March 1, 2003, the function of the Committee is now under CBP and the Committee now advises the Secretary of Homeland Security.

The Committee consists of representatives of the airline and other transportation industries that are subject to fees and charges authorized by law or proposed by the governing agency (either INS prior to March 1, 2003, or CBP afterward). The responsibility of this standing Advisory Committee is to advise on issues related to the performance of Airport and Seaport agriculture, customs, and immigration inspection services. This advice should include, but need not be limited to, the time period in which such services should be performed, the proper number and deployment of inspection officers, the level of fees, and the appropriateness of any proposed fee. These responsibilities are related to the assessment of an immigration user fee pursuant to 8 U.S.C. 1356(d), the assessment of a customs inspection user fee pursuant to 19 U.S.C. 58c(a)(5), and the assessment of an agriculture inspection user fee pursuant to 21 U.S.C. 136a.
