

States; (3) other entities such as an association or a partnership capable of holding land or interests therein under the laws of the State within which the land is located; or (4) a State, State instrumentality or political subdivision authorized to hold property.

Certifications and evidence to this effect will be required of the purchaser prior to issuance of a patent.

The following rights, reservations, and conditions will be included in the patent that may be issued as to each of the above described parcels of land:

1. A reservation to the United States for a right-of-way for ditches and canals constructed by the authority of the United States. Act of August 30, 1890 (43 U.S.C. 945).

2. A reservation to the United States for all oil, gas and geothermal resources in the land in accordance with section 209 of the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1719).

3. The patent will include a notice and indemnification statement under the Comprehensive Environmental Response, Compensation and Liability Act. All parcels are subject to the requirements of section 120(h) (42 U.S.C. section 9620) holding the United States harmless from any release of hazardous materials that may have occurred as a result of the unauthorized use of the property by other parties. No Warranty of any kind, express or implied, is given by the United States as to the title, physical condition or potential uses of the parcel of land proposed for sale.

4. The parcel is subject to valid existing rights.

The mineral interests being offered for conveyance have no known mineral value. A successful bid constitutes an application for conveyance of the mineral interest. In addition to the full purchase price, a nonrefundable fee of \$50 will be required by the successful bidder for purchase of the mineral interests to be conveyed simultaneously with the sale of the land, with the exception of all leaseables, including oil, gas and geothermal interests, which will be reserved to the United States in accordance with section 209 of the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1719).

The lands described herein are hereby segregated from appropriation under the public land laws, including the mining laws, pending disposition of this action or 270 days from the date of publication of this notice, whichever occurs first.

#### Public Comments

Detailed information concerning these proposed land sales, including the

reservations, sale procedures and conditions, appraisals, planning and environmental documents, and mineral report is available for review at the Bureau of Land Management, Klamath Falls Field Office, 2795 Anderson Ave., Building 25, Klamath Falls, Oregon 97603.

Any adverse comments will be reviewed by the Manager of the BLM, Lakeview, Oregon, District Office, who may sustain, vacate, or modify this realty action. In the absence of any such comments, this realty action will become the final determination of the Department of the Interior.

Comments, including names, street addresses, and other contact information of respondents, will be available for public review. Individual respondents may request confidentiality. If you wish to request that BLM consider withholding your name, street address, and other contact information (such as: Internet address, FAX or phone number) from public review or from disclosure under the Freedom of Information Act, you must state this prominently at the beginning of your comment. BLM will honor requests for confidentiality on a case-by-case basis to the extent allowed by law. BLM will make available for public inspection in their entirety all submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses.

#### INTERNATIONAL TRADE COMMISSION

##### Investigation No. 731-TA-364 (Second Review)

##### Aspirin From Turkey

**AGENCY:** United States International Trade Commission.

**ACTION:** Termination of five-year review.

**SUMMARY:** The subject five-year review was initiated in July 2004 to determine whether revocation of the antidumping duty order on aspirin from Turkey would be likely to lead to continuation or recurrence of dumping and of material injury to a domestic industry. On October 1, 2004, the Department of Commerce published notice that it was revoking the order effective August 20, 2004 because "the domestic interested parties did not participate in this sunset review" (69 FR 58891). Accordingly, pursuant to section 751(c) of the Tariff Act of 1930 (19 U.S.C. 1675(c)), the subject review is terminated.

**EFFECTIVE DATE:** August 20, 2004.
