

Control No. 3038-0022). This is a request for extension of a currently approved information collection.

Abstract: Section 5c(c) of the Commodity Exchange Act, 7 U.S.C. 7a-2(c), establishes procedures for registered entities (designated contract markets, registered derivatives transaction execution facilities and registered derivatives clearing organizations) to implement new rules and rule amendments by either seeking prior approval or (for most rules) certifying to the Commission that such rules or rule amendments do not violate the Act or Commission regulations. Rules 40.4, 40.5 and 40.6 implement these statutory provisions.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control numbers for the CFTC's regulations were published on December 30, 1981. See 46 FR 63035 (Dec. 30, 1981). The Federal Register notice with a 60-day comment period soliciting comments on this collection of information was published on August 5, 2004 (69 FR 47419-01).

Burden statement: The respondent burden for this collection is estimated to average .83 hours per response. These estimates include the time needed to review instructions; develop, acquire, install, and utilize technology and systems for the purposes of collecting, validating, and verifying information, processing and maintaining information and disclosing and providing information; adjust the existing ways to comply with any previously applicable instructions and requirements; train personnel to be able to respond to a collection of information; and transmit or otherwise disclose the information.

Respondents/Affected Entities: 11,006.

Estimated number of responses: 13,118.

Estimated total annual burden on respondents: 57 hours.

Frequency of collection: On occasion.

Send comments regarding the burden estimated or any other aspect of the information collection, including suggestions for reducing the burden, to the addresses listed below. Please refer to OMB Control No. 3038-0022 in any correspondence.
