

ACTION: General notice.

SUMMARY: Health Resources and Services Administration (HRSA) announces the availability of funds in the fiscal year (FY) 2005 HRSA Preview. The HRSA Preview is a comprehensive review of HRSA's fiscal year 2005 competitive programs. The purpose of the HRSA Preview is to provide the general public with a single source of program and application information related to the Agency's competitive grant offerings. The HRSA Preview is designed to replace the multiple **Federal Register** notices that traditionally advertised the availability of HRSA's discretionary funds for its various programs. A printer-friendly copy of the Preview can be downloaded at <http://www.hrsa.gov/grants/preview/default.htm>. A hard copy can be requested by contacting the HRSA Information Center at: HRSA Information Center, 2710 Prosperity Avenue, Fairfax, VA 22031, Telephone: 1-800-ASK-HRSA, <http://www.hrsa.gov>.

It should be noted that additional program initiatives responsive to new or emerging issues in the health care area and unanticipated at the time of publication of the HRSA Preview may be announced through the **Federal Register** and the HRSA Web site <http://www.hrsa.gov/grants.htm>. A list of these programs can also be found at the Grants.gov Web site: <http://www.grants.gov>.

HRSA continues to accept grant applications online. Please refer to the HRSA Web site at <http://www.hrsa.gov/grants/preview/default.htm> for more information.

SUPPLEMENTARY INFORMATION: Under the authority of 42 U.S.C. 217a, Section 222 of the Public Health Service Act, as amended, and 42 CFR 121.12 (2000), ACOT was established to assist the Secretary in enhancing organ donation, ensuring that the system of organ transplantation is grounded in the best available medical science, and assuring the public that the system is as effective and equitable as possible, and, thereby, increasing public confidence in the integrity and effectiveness of the transplantation system.
