

The proposed consent decree will settle the United States' claims for natural resource damages under the Oil Pollution Act, 33 U.S.C. 2701, *et seq.*, on behalf of the National Oceanic and Atmospheric Administration ("NOAA") and the Department of the Interior ("DOI") (together, the "Federal Trustees") against France Shipmanagement S.A. relating to an oil spill from the tank vessel *Anitra*, which occurred in May 1996 in the Big Stone Anchorage of the Delaware Bay. Pursuant to the proposed consent decree, France Shipmanagement S.A. will pay \$1,500,000.00 as natural resource damages to the Federal Trustees and to the State of New Jersey's Department of Environmental Protection (together, the "Trustees"). Of that amount, approximately \$237,000 has been, or will be, paid to the Trustees for reimbursement of their assessment costs. The remaining approximately \$1,273,000.00 will be utilized by the Trustees for restoration projects.

The Department of Justice will receive for a period of thirty (30) days from the date of this publication comments relating to the proposed consent decree. Comments should be addressed to the Assistant Attorney General of the Environment and Natural Resources Division, Department of Justice, Washington, DC 20530, and should refer to *United States, et al., v. France Shipmanagement S.A.*, Civil Action No. 04-cv-04807-JHR-JBR, D.J. Ref. 90-5-1-4380.

The proposed consent decree may be examined at the Office of the United States Attorney, District of New Jersey, 970 Broad Street, Newark, New Jersey 07102. During the public comment period, the proposed consent decree may also be examined on the following Department of Justice Web site, <http://www.usdoj.gov/enrd/open.html>. A copy of the proposed consent decree may also be obtained by mail from the Consent Decree Library, P.O. ### Notice of Lodging of Consent Decree Under the Clean Water Act

Under 28 CFR 50.7, notice is hereby given that on September 30, 2004, a proposed Consent Decree in *United States and State of Texas v. City of Plainview*, Civil Action No. 5-04CV0218-C was lodged with the United States District Court for the Northern District of Texas.

In this action the United States sought civil penalties and injunctive relief for violations of Sections 301, 309 and 402 of the Clean Water Act ("the Act"), 33 U.S.C. 1311, 1319, and 1342, and for violations of the City's National Pollutant Discharge Elimination System ("NPDES") permit for the City's publicly owned wastewater treatment works ("POTW"), located in Plainview, Texas. The Consent Decree settles the claims that the city violated the Act and its NPDES permit by: (1) Discharging pollutants in excess of the effluent limitations specified in its NPDES permit; (2) failing to comply with the final effluent limitations specified for Ammonia-Nitrogen by March 1, 2000; and (3) failing to operate and maintain its POTW as required by the permit. The Consent Decree requires that the City pay a \$75,000 civil penalty to the federal government. The Consent Decree also requires that the City implement and comply with a comprehensive Management, Operation and Preventative Maintenance Program for its POTW during the term of the Consent Decree, and provide quarterly and annual reports to the EPA with copies to the State of Texas.

The Department of Justice will receive for a period of thirty (30) days from the date of this publication comments relating to the Consent Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, P.O. Box 7611, U.S. Department of Justice, Washington, DC 20044-7611, and should refer to *United States and State of Texas v. City of Plainview*, D.J. Ref. 90-5-1-07661. The Consent Decree may be examined at the Office of the United States Attorney, Northern District of Texas,
