SUPPLEMENTARY INFORMATION:

Title: Statistics of Income (SOI) Corporate Survey.

OMB Number: 1545-1351.

Abstract: The SOI Corporate Survey is a yearly self-administered mail survey sent to a small select group of the very largest U.S. corporations. The survey is voluntary and requests specific line item tax return data. The survey data are used to supplement the SOI corporate files in order to produce corporate advance tax data estimates. Advance tax data has been requested by the Bureau of Economic Analysis in the Department of the Commerce, the Office of Tax Analysis in the Department of the Treasury, and the Joint Committee on Taxation in the U.S. Congress for tax analysis purposes.

Current Actions: There are no changes being made to the survey at this time.

Type of Review: Extension of a currently approved collection.

Affected Public: Business or other for-profit organizations.

Estimated Number of Respondents: 175.

Estimated Time per Respondent: 30 minutes.

Estimated Total Annual Burden Hours: 88.

The following paragraph applies to all of the collections of information covered by this notice:

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection of information displays a valid OMB control number. Books or records relating to a collection of information must be retained as long as their contents may become material in the administration of any internal revenue law. Generally, tax returns and tax return information are confidential, as required by 26 U.S.C. 6103.

Request for Comments: Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. All comments will become a matter of public record. Comments are invited on:

(a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology; and (e) estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information.

Approved: October 12, 2004.
