A one-day, Commissioner-led workshop will be held on Thursday, December 9, 2004, beginning at 10 a.m. (EST), in the Commission Meeting Room at the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC. The workshop will focus on the above-listed pending license applications filed at the Commission. The workshop is open to the public and all interested persons are invited to attend and participate.

The goals of the workshop are to: (1) Review and discuss the pending license applications; (2) identify unresolved issues; (3) determine next steps; (4) agree on who will take the next steps; and (5) focus on solutions. The workshop will concentrate on identifying the unresolved issues associated with each project, and determining the best course of action to resolve or remove obstacles to final action on each pending license application.

A transcript of the discussions will be placed in the public record for Docket No. AD04-014-000 and in the record for each of the pending license applications.

Filing Requirements for Paper and Electronic Filings

Comments, papers, or other documents related to this proceeding may be filed in paper format or electronically. Those filing electronically do not need to make a paper filing.

For paper filings, the original and 8 copies of the comments should be submitted to the Office of the Secretary, Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426. Paper filings should, at the top of the first page, refer to Docket No. AD04-014-000 and reference the specific project name(s) and project number(s) that the comments concern. The deadline to file comments is January 10, 2005.
