Algonquin Gas Transmission, LLC; Notice of Compliance Filing

October 7, 2004.

Take notice that on October 1, 2004, Algonquin Gas Transmission, LLC (Algonquin) submitted a compliance filing pursuant to the Commission's Order in *Algonquin Gas Transmission, LLC*, 108 FERC ¶61,275 (2004), issued on September 21, 2004, in Docket No. RP04–468–000.

Algonquin states that copies of the filing were served upon all affected customers of Algonquin and interested state commissions, as well as upon all parties on the Commission's official service list in this proceeding.

Any person desiring to protest this filing must file in accordance with Rule 211 of the Commission's Rules of Practice and Procedure (18 CFR 385.211). Protests to this filing will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Such protests must be filed in accordance with the provisions of Section 154.210 of the Commission's regulations (18 CFR 154.210). Anyone filing a protest must serve a copy of that document on all the parties to the proceeding.

The Commission encourages electronic submission of protests in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest to the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.

This filing is accessible on-line at <http://www.ferc.gov>, using the "eLibrary" link and is available for review in the Commission's Public Reference Room in Washington, DC. There is an "eSubscription" link on the Web site that enables subscribers to receive email notification when a document is added to a subscribed docket(s). Interconnection for Wind Energy and Other Alternative Technologies; Standardization of Small Generator Interconnection Agreements and Procedures; Standardizing Generator Interconnection Agreements and Procedures; Notice Regarding Post-Technical Conference Comments

October 7, 2004.

On September 24, 2004, the Commission held a technical conference in the above-referenced dockets regarding the issues raised by a petition for rulemaking submitted by the American Wind Energy Association (AWEA) related to the adoption of certain requirements for the interconnection of large wind generators. Specifically, the conference focused on the interconnection of wind energy and other alternative technologies, and considered the technical requirements for the interconnection of large and small wind generators and other alternative technologies, and the need for creating specific requirements for their interconnection to the grid. A transcript of the technical conference will be available in the near future from the Commission's Web site, <http://www.ferc.gov>.

At the technical conference, Staff stated that the Commission would allow interested parties to file post-technical conference comments. These comments must be filed with the Commission no later than 5 p.m. Eastern Standard Time (EST) on November 1, 2004.
