Melamine in Crystal Form From Japan: Revocation of Antidumping Duty Finding

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of revocation of the antidumping duty finding on melamine in crystal form from Japan.

SUMMARY: On August 2, 2004, the Department of Commerce (“the Department”) initiated a sunset review of the antidumping duty finding on melamine in crystal form from Japan. See *Initiation of Five-Year (“Sunset”)*

Reviews, 69 FR 46134 (August 2, 2004). Because no domestic party responded to the sunset review notice of initiation by the applicable deadline, the Department is revoking the antidumping duty finding on melamine in crystal form from Japan.

EFFECTIVE DATE: September 1, 2004.

FOR FURTHER INFORMATION CONTACT:

Martha V. Douthit, Office of Policy, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-5050.

SUPPLEMENTARY INFORMATION:

Background

On February 2, 1977, the Treasury Department published in the **Federal Register** its antidumping duty finding on melamine in crystal form from Japan. See 42 FR 6866 (February 2, 1977). On September 1, 1999, pursuant to 19 CFR 351.218(f)(4), the Department published in the **Federal Register** notice of continuation of the antidumping duty finding following the first sunset review. See *Continuation of Antidumping Duty Finding: Melamine from Japan*, 64 FR 47764 (September 1, 1999). On August 2, 2004, the Department initiated a second sunset review of this finding pursuant to section 751(c) of the Tariff Act of 1930, as amended, (the “Act”) and 19 CFR part 351, in general. See *Initiation of Five-Year (“Sunset”)* *Reviews*, 69 FR 46134 (August 2, 2004). As a courtesy to interested parties, the Department sent letters, via certified and registered mail,

to each party listed on the Department's most current service list for this proceeding to inform them of the automatic initiation of a sunset review of this finding. We received no response from the domestic industry by the deadline date. *See* 19 CFR

351.218(d)(1)(i). As a result, the Department determined that no domestic party intends to participate in the sunset review. On August 23, 2004, the Department notified the International Trade Commission ("ITC") in writing that we intended to issue a final determination revoking this antidumping duty finding. *See* 19 CFR 351.218(d)(1)(iii)(B).

Scope

This Treasury Finding covers melamine in crystal form, which is a fine white crystalline powder used to manufacture melamine formaldehyde resins, and is currently classifiable under item 2933.61.00 of the Harmonized Tariff Schedule of the United States ("HTSUS"). Although the HTSUS subheading is provided for convenience and customs purposes, the written description remains dispositive.

Determination To Revoke

Pursuant to section 751(c)(3)(A) of the Act and 19 CFR 351.218(d)(1)(iii)(B)(3), if no domestic interested party responds to the notice of initiation, the Department shall issue a final determination, within 90 days after the initiation of the review, revoking the finding. Because no domestic interested party filed a notice of intent to participate or a substantive response, the Department finds that no domestic interested party is participating in this review. Therefore, we are revoking this antidumping duty finding effective September 1, 2004, the fifth anniversary of the date of the determination to continue the finding, consistent with 19 CFR 351.222(i)(2)(i) and section 751(c)(6)(A)(iii) of the Act.

Effective Date of Revocation

Pursuant to sections 751(c)(3)(A) and 751(c)(6)(A)(iii) of the Act, and 19 CFR 351.222(i)(2)(i), the Department will instruct U.S. Customs and Border Protection to terminate the suspension of liquidation of the merchandise subject to this finding entered, or withdrawn from warehouse, on or after September 1, 2004. Entries of subject merchandise prior to the effective date of revocation will continue to be subject to suspension of liquidation and antidumping duty deposit requirements. The Department will complete any pending administrative reviews of this finding and will conduct administrative

reviews of subject merchandise entered prior to the effective date of revocation in response to appropriately filed requests for review.

This five-year ("sunset") review and notice are in accordance with sections 751(c) and 777(i)(1) of the Act.

Dated: October 15, 2004.

Jeffrey A. May,
Acting Assistant Secretary for Import Administration.

Natural Bristle Paint Brushes and Brush Heads From the People's Republic of China; Final Results of the Expedited Sunset Review of the Antidumping Duty Order

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of final results of expedited sunset review of the antidumping duty order on natural bristle paint brushes and brush heads from the People's Republic of China.

SUMMARY: On May 3, 2004, the Department of Commerce ("the Department") initiated a sunset review of the antidumping duty order on natural bristle paint brushes and brush heads ("natural paint brushes") from the People's Republic of China ("PRC") pursuant to section 751(c) of the Tariff Act of 1930, as amended ("the Act"). On the basis of a notice of intent to participate and an adequate substantive response filed on behalf of domestic interested parties and inadequate response from respondent interested parties, the Department conducted an expedited (120-day) sunset review. As a result of this sunset review, the Department finds that revocation of the antidumping duty order would be likely to lead to continuation or recurrence of dumping. The dumping margins are identified in the *Final Results of Review* section of this notice.

EFFECTIVE DATE: October 21, 2004.

FOR FURTHER INFORMATION CONTACT: Hilary E. Sadler, Esq., Office of Policy for Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street & Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-4340.

SUPPLEMENTARY INFORMATION:

Background

On May 3, 2004, the Department published the notice of initiation of the second sunset review of the antidumping duty order on natural paint brushes from the PRC pursuant to section 751(c) of the Act. *See Initiation of Five-Year ("Sunset") Reviews*, 69 FR 24118 (May 3, 2004). The Department received the Notice of Intent to Participate from the domestic interested parties, the Paint Applicator Division of the American Brush Manufacturers Association and its participating member companies: Shur-Line, Bestt Liebco, Wooster Brush Company, Purdy Corporation, True Value Manufacturing, and Elder & Jenks, Inc. (collectively "the domestic interested parties"), within the deadline specified in section 351.218(d)(1)(i) of the Department's Regulations ("Sunset Regulations"). The domestic interested parties claimed interested party status under sections 771(9)(C) and (E) of the Act, as domestic manufacturers of paint brushes and a trade association whose majority of members manufacture, produce, or wholesale a domestic-like product in the United States. We received complete substantive responses only from the domestic interested parties within the 30-day deadline specified in 19 CFR 351.218(d)(3)(i). We received no responses from the respondent interested parties. As a result, pursuant to section 751(c)(5)(A) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2), the Department conducted an expedited (120-day) sunset review of this order.

Scope of the Order

The products covered by the order are natural bristle paintbrushes and brush heads from the PRC. Excluded from the order are paintbrushes and brush heads with a blend of 40 percent natural bristles and 60 percent synthetic filaments. The merchandise under review is currently classifiable under item 9603.40.40.40 of the Harmonized Tariff Schedule of the United States ("HTSUS"). Although the HTSUS subheading is provided for convenience and customs purposes, the Department's written description of the merchandise is dispositive.

Analysis of Comments Received

All issues raised in these reviews are addressed in the "Issues and Decision Memorandum" ("Decision Memo") from Ronald K. Lorentzen, Acting Director, Office of Policy, Import Administration, to Jeffrey A. May, Acting Assistant Secretary for Import Administration, dated October 15, 2004, which is hereby adopted by this notice.
