[Docket No. ER04-1072-000]

**PJM Interconnection, L.L.C.; American Electric Power Service Corporation; Notice of Filing**

October 15, 2004.

Take notice that on October 4, 2004, American Electric Power Service Corporation (AEP) submitted for filing an executed Service Agreement between American Electric Power Service Corporation and PJM Interconnection, L.L.C. AEP requests an effective date of September 30, 2004.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211, 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed on or before the comment date. Anyone filing a motion to intervene or protest must serve a copy of that document on the Applicant. On or before the comment date, it is not necessary to serve motions to intervene or protests on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.

This filing is accessible on-line at <http://www.ferc.gov>, using the "eLibrary" link and is available for review in the Commission's Public Reference Room in Washington, DC. There is an "eSubscription" link on the Web site that enables subscribers to receive e-mail notification when a document is added to a subscribed docket(s). **DEPARTMENT OF ENERGY****Western Area Power Administration****Revised Open Access Transmission Service Tariff**

**AGENCY:** Western Area Power Administration, DOE.

**ACTION:** Notice of Informal Meeting and Comment Opportunity.

**SUMMARY:** The Western Area Power Administration (Western) is revising its Open Access Transmission Service Tariff (Tariff). Western's existing Tariff was approved by the Federal Energy Regulatory Commission (Commission) on April 12, 2002. Western intends to update certain Tariff provisions, adopt the principal features of the Commission's Standard Large Generator Interconnection Procedures (LGIP) and Standard Large Generator Interconnection Agreement (LGIA) consistent with applicable law, and to make additional changes to further Western's mission and transmission marketing efforts. Publication of this **Federal Register** notice announces a public meeting and an opportunity for informal comments on Western's revised Tariff prior to filing with the Commission.

**DATES:** Western will accept comments on the revised Tariff until November 22, 2004. Western will present a detailed explanation of the revised Tariff at an informal public meeting to be held on November 8, 2004, 1 p.m. MST, Denver, CO. Western will accept oral and written comments at this meeting, and will also accept written comments at any time during the informal comment period.

**ADDRESSES:** The public meeting location is the Radisson Stapleton Plaza Hotel, 3333 Quebec Street, Denver, CO.
