BILLING CODE 7020-02-P

DEPARTMENT OF JUSTICE

Antitrust Division

Notice Pursuant to the National Cooperative Research and Production Act of 1993—American Brush Manufacturers Association

Notice is hereby given that, on September 17, 2004, pursuant to Section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* ("the Act"), the American Brush Manufacturers Association ("ABMA") has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing (1) the name and principal place of business of the standards development organization and (2) the nature and scope of its standards development activities. The notifications were filed for the purpose of invoking the Act's provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances.

Pursuant to Section 6(b) of the Act, the name and principal place of business of the standards development organization is: American Brush Manufacturers Association, Aurora, IL. The nature and scope of ABMA's standards development activities are: To maintain voluntary standards for the brush manufacturers industry that assist users and consumers in the standardization of safety requirements regarding power driven brushes and labeling requirements concerning upright brooms and wet mops.

Dorothy B. Fountain,

Deputy Director of Operations, Antitrust Division.

BILLING CODE 4410-11-M

DEPARTMENT OF JUSTICE

Antitrust Division

Notice Pursuant to the National Cooperative Research and Production Act of 1993—Blu-Ray Disc Founders

Notice is hereby given that, on September 20, 2004, pursuant to Section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* ("the Act"), Blu-ray Disc Founders ("BDF") has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing (1) the name and principal place of business of the standards development organization and (2) the nature and scope of its standards development

activities. The notifications were filed for the purpose of invoking the Act's provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances.

Pursuant to Section 6(b) of the Act, the name and principal place of business of the standards development organization is: Blu-ray Disc Founders, Tokyo, Japan. The nature and scope of BDF's standards development activities are: (1) To establish the Blu-ray Disc Format for each application, as well as revisions, improvements and extensions of such Blu-ray Disc Format; (2) to organize activities to verify the compliance with the Blu-ray Disc Format and enable the broad acceptance of the Blu-ray Disc Format; (3) to promote the Blu-ray Disc Format as the format for recording, playback, storage and distribution of large volume content, including high definition content; and (4) to license the Blu-ray Disc Format and the Blu-ray Disc Logo.

Dorothy B. Fountain,

Deputy Director of Operations, Antitrust Division.

BILLING CODE 4410-11-M

DEPARTMENT OF JUSTICE

Antitrust Division

Notice Pursuant to the National Cooperative Research and Production Act of 1993—Insulated Cable Engineers Association, Inc.

Notice is hereby given that, on September 16, 2004, pursuant to Section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* ("the Act"), Insulated Cable Engineers Association, Inc. ("ICEA") has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing (1) the name and principal place of business of the standards development organization and (2) the nature and scope of its standards development activities. The notifications were filed for the purpose of invoking the Act's provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances.

Pursuant to Section 6(b) of the Act, the name and principal place of business of the standards development organization is: Insulated Cable Engineers Association, Inc., Carrollton, GA. The nature and scope of ICEA's standards development activities are: Since 1925 ICEA has written, published and maintained Papers, Standards and

Test Procedures relating to the design and testing of insulated power and telecommunications cables. These cables are used for power, control, data and voice communications. Electric utilities, telecommunications companies, government agencies and end users use these standards for the specification and purchase of insulated cables used throughout North America. These standards receive American National Standards Institute (ANSI) approval and are the American Standard.

Notice Pursuant to the National Cooperative Research and Production Act of 1993—JEDEC Solid State Technology Association

Notice is hereby given that, on September 15, 2004, pursuant to section 6(a) of the National Cooperative

Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* ("Act"), JEDEC Solid State Technology Association ("JEDEC") has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing (1) the name and principal place of business of the standards development organization and (2) the nature and scope of its standards development activities. The notifications were filed for the purpose of invoking the Act's provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances.

Pursuant to section 6(b) of the Act, the name and principal place of business of the standards development organization is: JEDEC Solid State Technology Association, Arlington, VA. The nature and scope of JEDEC's standards development activities are: To promote, develop, and coordinate open voluntary consensus standardization of terms, definitions, product characterization and operation, test methods, manufacturing support functions, product quality and reliability, mechanical outlines, solid state memories, and wireless interface networking systems. Technical and informational exchanges may take place directly between committees and their correspondents. It is a primary function of each committee to propose JEDEC standards and to formulate policies, procedures, formats, and other documents.
