

- c. New Budget Period Program Proposed Activity Objectives.
 - d. Budget.
 - e. Measures of Effectiveness.
 - f. Additional Requested Information.
2. Financial status report, no more than 90 days after the end of the budget period.
3. Final financial and performance reports, no more than 90 days after the end of the project period.

4. At the completion of the project, the grant recipient will submit a brief summary 2,500 to 4,000 words written in non-scientific [laymen's] terms. The narrative should highlight the findings and their implications for injury prevention programs, policies, environmental changes, *etc.* The grant recipient will also include a description of the dissemination plan for research findings. This plan will include publications in peer-reviewed journals and ways in which research findings will be made available to stakeholders outside of academia (*e.g.*, state injury prevention program staff, community groups, public health injury prevention practitioners, and others). CDC will place the summary report and each grant recipient's final report with the National Technical Information Service (NTIS) to further the agency's efforts to make the information more available and accessible to the public.

These reports must be mailed to the Grants Management Specialist listed in the "Agency Contacts" section of this announcement.
