Extension of Final Results of Reviews

On June 1, 2004, the Department initiated a sunset review of the countervailing duty order on SSSS from Italy. *See Initiation of Five-Year (Sunset) Reviews*, 69 FR 30874 (June 1, 2004). The Department's preliminary results of this review were originally scheduled for September 20, 2004 and were extended on September 20, 2004. The Department, however, needs additional time to consider issues related to the appropriate countervailing duty rate likely to prevail if the order is revoked which the Department will provide to the International Trade Commission. Thus, the Department intends to issue the preliminary results on or about November 22, 2004, in accordance with sections 751(c)(5)(B) and 751(c)(5)(C)(ii) of the Tariff Act of 1930, as amended.
