

All documents (original and eight copies) should be filed with: Magalie R. Salas, Secretary, Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426. Comments, protests, and interventions may be filed electronically via the Internet in lieu of paper; see 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's Web site under the "e-Filing" link. The Commission strongly encourages electronic filings. Please include the project number (P-4026-041) on any comments or motions filed.

The Commission's Rules of Practice and Procedure require all intervenors filing a document with the Commission to serve a copy of that document on each person in the official service list for the project. Further, if an intervenor files comments or documents with the Commission relating to the merits of an issue that may affect the responsibilities of a particular resource agency, they must also serve a copy of the documents on that resource agency.

j. Description of Application: Applicants state that NYNEX's corporate name was changed to Bell Atlantic Credit Corporation, which subsequently changed its name to Verizon. Applicants state further that, in June 2003, ARCO terminated its real property lease and project operation agreement with Aziscohos and, at the same time, Verizon's interests in the project, through a leveraged lease arrangement with Aziscohos, were terminated. Applicants now seek after-the-fact approval of the 2003 termination of Aziscohos' and Verizon's interest in the project.

k. This filing is available for review at the Commission in the Public Reference Room or may be viewed on the Commission's Web site at <http://www.ferc.gov> using the "FERRIS" link. Enter the docket number (P-4026) in the docket number field to access the document. For assistance, call toll-free 1-866-208-3676 or e-mail FERCOnlineSupport@ferc.gov. For TTY, call (202) 502-8659. A copy is also available for inspection and reproduction at the address in item g. above.

l. Individuals desiring to be included on the Commission's mailing list should so indicate by writing to the Secretary of the Commission.

m. Comments, Protests, or Motions to Intervene—Anyone may submit comments, a protest, or a motion to intervene in accordance with the requirements of Rules of Practice and Procedure, 18 CFR 385.210, .211, .214. In determining the appropriate action to take, the Commission will consider all

protests or other comments filed, but only those who file a motion to intervene in accordance with the Commission's Rules may become a party to the proceeding. Any comments, protests, or motions to intervene must be received on or before the specified comment date for the particular application.

n. Filing and Service of Responsive Documents—Any filings must bear in all capital letters the title "COMMENTS", "PROTEST", OR "MOTION TO INTERVENE", as applicable, and the Project Number of the particular application to which the filing refers. Any of the above-named documents must be filed by providing the original and eight copies to: The Secretary, Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426. A copy of any motion to intervene must also be served upon each representative of the Applicant specified in the particular application.

o. Agency Comments—Federal, state, and local agencies are invited to file comments on the described application. A copy of the application may be obtained by agencies directly from the Applicant. If an agency does not file comments within the time specified for filing comments, it will be presumed to have no comments. One copy of an agency's comments must also be sent to the Applicant's representatives.

Magalie R. Salas,
Secretary.

Southern Natural Gas Company; Notice of Technical Conference

October 22, 2004.

Take notice that on September 30, 2004, the Commission issued an order¹ directing the Commission Staff to convene a technical conference to discuss the following issues raised by Southern Natural Gas Company (Southern) in its August 31, 2004 filing:

1. Southern's proposal to extend the notice period in the currently-effective section 39 of the General Terms and Conditions from 90 days to 24 months for contract demand reductions

¹ Southern Natural Gas Company, 108 FERC ¶ 61,328 (2004).

pursuant to an order of a state regulatory commission.

2. Southern's proposal to revise section 2.1(e) of the General Terms and Conditions to provide that primary receipt points may be added to or deleted from Exhibit A to a service agreement if they are in the same zones for which the shipper has contracted for firm service, and to allow shippers to add or delete primary delivery points from Exhibit B to a service agreement only if the additional delivery points are in the same zone as the shipper's current delivery points.

3. Southern's proposal to change its cash out price calculation to apply the high/low index price to the zero to two percent tolerance level.

4. Southern's pro forma proposal to revise section 14.2 of the General Terms and Conditions to apply the Storage Cost Reconciliation Mechanism to supply poolers.

Take notice that the conference will be held on Thursday, December 9, 2004, at 10 am (EST), in a room to be designated at the offices of the Federal Energy Regulatory Commission, 888 First Street, NE., Washington DC 20426.

All interested parties and staff are permitted to attend.
