**EZR, LLC Revocation of Registration**

On May 17, 2004, the Deputy Administrator of the Drug Enforcement Administration (DEA) issued an Order to Show Cause and Immediate Suspension of Registration to EZRX, LLC (EZRX) of Union, New Jersey. EZRX was notified of an opportunity to show cause as to why DEA should not revoke its DEA Certificate of Registration, BE8488783, as a retail pharmacy, and deny any pending applications for renewal or modification of such registration pursuant to 21 U.S.C. 823(f) and 824(a)(4) for reason that its continued registration would be inconsistent with the public interest. EZRX was further notified that its DEA registration was immediately suspended as an imminent danger to the public health and safety pursuant to 21 U.S.C. 824(d).

The Order to Show Cause and Immediate Suspension alleged in sum, that EZRX was engaged in illegally dispensing controlled substances as part of a scheme in which controlled substances were dispensed by EZRX based on Internet orders placed by customers and approved by associated physicians, based solely on their review of Internet questionnaires and without personal contact, examination or bona fide physician/patient relationships. Such prescriptions were not issued “in the usual course of professional treatment” and violated 21 CFR 1306.04 and 21 U.S.C. 841(a). This action was part of a nationwide enforcement operation by DEA titled Operation Pharmnet, which targeted online suppliers of prescription drugs, including owners, operators, pharmacists and doctors, who have illegally and unethically been marketing controlled substances via the Internet.

According to the investigative file on May 26, 2004, the Order to Show Cause and Immediate Suspension of Registration was personally served by Special Agents and Diversion Investigators of the DEA at EZRX’s registered premises in Union, New Jersey. More than thirty days have passed since the Order to Show Cause
