NUCLEAR REGULATORY COMMISSION

Meeting Postponement: USEC American Centrifuge Plant

AGENCY: Nuclear Regulatory Commission (NRC).

ACTION: Meeting postponement.

SUMMARY: The NRC is postponing the public scoping meeting for the proposed USEC Inc. American Centrifuge Plant that was to be held on November 15, 2004. The original meeting announcement appeared in the **Federal Register** on October 15, 2004 (69 FR 61268).

On October 25, 2004, the NRC initiated an additional security review, by agency experts, of publicly available documents to ensure that potentially sensitive information is removed from the agency Web site. During this review, ADAMS, the NRC's on-line document library, will be temporarily unavailable to the public. This meeting postponement is appropriate to allow members of the public adequate access to USEC Inc.'s license application and environmental report before the scoping meeting. After the documents related to this application are made publically available the NRC will announce a new meeting.

FOR FURTHER INFORMATION CONTACT: For general or technical information associated with the license review of the USEC Inc., application, please contact Yawar Faraz at (301) 415–8113. PENSION BENEFIT GUARANTY CORPORATION

Submission of Information Collection for OMB Review; Comment Request; Survey of Frozen Defined Benefit Pension Plans

AGENCY: Pension Benefit Guaranty Corporation.

ACTION: Notice of request for OMB approval.

SUMMARY: The Pension Benefit Guaranty Corporation ("PBGC") is requesting that the Office of Management and Budget ("OMB") approve a new collection of information under the Paperwork Reduction Act. The purpose of the information collection, which will be conducted via a mail survey, is to help the PBGC assess the extent to which the plans it insures have been frozen, the intentions of the plans' sponsors regarding those frozen plans, and the extent to which plan sponsors are considering freezing plans that are not frozen. This notice informs the public of the PBGC's request and solicits public comment on the collection of information.

DATES: Comments should be submitted by December 8, 2004.

ADDRESSES: Comments should be mailed to the Office of Information and Regulatory Affairs of the Office of Management and Budget, Attention: Desk Officer for Pension Benefit Guaranty Corporation, Washington, DC 20503.

Copies of the request (including the collection of information) may be obtained by writing to the PBGC's Communications and Public Affairs Department, suite 240, 1200 K Street, NW., Washington, DC 20005–4026, or by visiting that office or calling 202–326–4040 during normal business hours. (TTY and TDD users may call the Federal relay service toll-free at 1–800–877–8339 and ask to be connected to 202–326–4040.)

FOR FURTHER INFORMATION CONTACT:

James L. Beller, Attorney, Office of the General Counsel, PBGC, 1200 K Street, NW., Washington, DC 20005–4026; 202–326–4024. (TTY and TDD users may call the Federal relay service toll-free at 1–800–877–8339 and ask to be connected to 202–326–4024.)

SUPPLEMENTARY INFORMATION: The PBGC is requesting that OMB approve a mail survey designed to gather information about frozen defined benefit plans. Findings about these plans' characteristics, sponsor rationales for freezing these plans, sponsor intentions to either terminate or unfreeze these plans, and sponsor intentions to freeze plans that are not frozen will allow the PBGC to better forecast future trends in the plans it insures. In addition, the Government Accountability Office has recommended that the PBGC "conduct a pilot study to identify frozen [defined benefit] plans it insures and assess the usefulness of information on the characteristics and consequences of plan freezes." This collection of information would address that recommendation.

Participation in this voluntary collection of information will put a slight burden on a very small percentage of the public. The PBGC estimates that there will be 750 respondents with an annual burden of approximately 188 hours and \$5,200. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Issued in Washington, DC, this 3rd day of November 2004.

Stuart A. Sirkin,

Director, Corporate Policy and Research Department, Pension Benefit Guaranty Corporation.

SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon written request, copies available from: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

Extension: Rule 45, SEC File No. 270-164, OMB Control No. 3235-0154.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget ("OMB") a request for extension of the previously approved collection of information discussed below.

Rule 45 imposes a filing requirement on registered holding companies and their subsidiaries under section 12(b) of the Act. Under the requirement, the companies must file a declaration seeking authority to make loans or otherwise extend credit to other companies in the same holding company system. Among others, the rule provides an exception from the filing requirement the performance of payment obligations under consolidated tax agreements. The Commission estimates 15 recordkeepers together incur about 46 annual burden hours to comply with these requirements.

The estimates of average burden hours are made for the purposes of the Paperwork Reduction Act and are not derived from a comprehensive or even a representative survey or study of the costs of Commission rules and forms.

There is no recordkeeping duty under rule 45. Further, there is no requirement to keep information obtained under rule

45, because it is public information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid control number.

General comments regarding the above information should be directed to the following persons: (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, Room 10102, New Executive Office Building, Washington, DC 20503 or e-mail to: *David_Rostker@omb.eop.gov*; and (ii) R. Corey Booth, Director/Chief Information Officer, Office of Information Technology, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549. Comments must be submitted to OMB within 30 days of this notice.

Dated: October 29, 2004.

Margaret H. McFarland,

Deputy Secretary.

SECURITIES AND EXCHANGE COMMISSION

Proposed Collection; Comment Request

Upon written request, copies available from: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

Extensions: Rule 425, OMB Control No. 3235-0521, SEC File No. 270-462.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Securities Act Rule 425 (OMB Control No. 3235-0521; SEC File No. 270-462) requires the filing of certain prospectuses and communications under Rules 135 and 165 in connection with business combination transactions. The purpose of the rule is to relax existing restrictions on oral and written communications with shareholders about tender offers, mergers and other business combination transactions by permitting the dissemination of more information on a more-timely basis as long as the written communications are

filed on the date of first use.

Approximately 2,000 issuers file communications under Rule 425 at an estimate .25 hours per response for a total of 500 annual burden hours.

Written comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collections of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to R. Corey Booth, Director/Chief Information Officer, Office of Information Technology, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549.

Dated: October 29, 2004.
