**RAILROAD RETIREMENT BOARD**

**Proposed Collection; Comment Request**

**SUMMARY:** In accordance with the requirement of section 3506 (c)(2)(A) of the Paperwork Reduction Act of 1995 which provides opportunity for public comment on new or revised data collections, the Railroad Retirement Board (RRB) will publish periodic summaries of proposed data collections.

Comments are invited on: (a) Whether the proposed information collection is necessary for the proper performance of the functions of the agency, including whether the information has practical utility; (b) the accuracy of the RRB's estimate of the burden of the collection of the information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden related to the collection of information on respondents, including the use of automated collection techniques or other forms of information technology.

**Title and Purpose of Information Collection**

Financial Disclosure Statement: OMB 3220-0127.

Under section 10 of the Railroad Retirement Act and section 2(d) of the Railroad Unemployment Insurance Act, the RRB may recover overpayments of annuities, pensions, death benefits, unemployment benefits, and sickness benefits that were made erroneously. An overpayment may be waived if the beneficiary was not at fault in causing the overpayment and recovery would cause financial hardship. The regulations for the recovery and waiver of erroneous payments are contained in 20 CFR parts 255 and 340.

The RRB utilizes Form G-423, Financial Disclosure Statement, to obtain information about the overpaid beneficiary's income, debts, and expenses if that person indicates that (s)he cannot make restitution for the overpayment. The information is used to determine if the overpayment should be waived as wholly or partially uncollectible. If waiver is denied, the information is used to determine the size and frequency of installment payments. The beneficiary is made aware of the overpayment by letter and is offered a variety of methods for recovery. One response is requested of each respondent. Completion is voluntary. The RRB proposes non-burden impacting editorial changes to Form G-423. The RRB also proposes to change the form number to DR-423 to reflect that it is a debt recovery form rather than a general use form.

**ESTIMATE OF ANNUAL RESPONDENT BURDEN**

[The estimated annual respondent burden is as follows]

Form #(s)	Annual responses	Time (min)	Burden (hrs)
DR-423 .....	1,200	85	1,700
