Notice Pursuant to the National Cooperative Research and Production Act of 1993—Southwest Research Institute: The Consortium for NASGRO Development and Support

Notice is hereby given that, on October 18, 2004, pursuant to section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* ("the Act"), Southwest Research Institute: The Consortium for NASGRO Development and Support has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing changes in the membership and project status of the venture. The notifications were filed for the purpose of extending the Act's provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Specifically, the period of performance has been extended to May 31, 2007. Additionally, Honeywell International, Inc., Phoenix, AZ, has been added as a party to this venture; and Agusta s.p.a., Costina Costa de Samarate, Italy; Korea Aerospace Industries, Ltd., Kyungnam, Korea; and Mitsubishi Heavy Industry, Ltd., Nagoya, Japan are no longer active participants.

No other changes have been made in either the membership or planned activity of the group research project. Membership in this group research project remains open, and Southwest Research Institute: The Consortium for NASGRO Development and Support intends to file additional written notification disclosing all changes in membership.

On October 3, 2001, Southwest Research Institute: the Consortium for NASGRO Development and Support filed its original notification pursuant to section 6(a) of the Act. The Department of Justice published a notice in the **Federal Register** pursuant to Section

6(b) of the Act on January 22, 2002 (67 FR 2910).

The last notification was filed with the Department on August 7, 2003. A notice was published in the **Federal Register** pursuant to section 6(b) of the Act on September 8, 2003 (68 FR 52959).

Notice Pursuant to the National Cooperative Research and Production Act of 1993—Steel Tank Institute

Notice is hereby given that, on September 16, 2004, pursuant to section

6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* ("the Act"), Steel Tank Institute ("STI") has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing (1) the name and principal place of business of the standards development organization and (2) the nature and scope of its standards development activities. The notifications were filed for the purpose of invoking the Act's provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances.

Pursuant to section 6(b) of the Act, the name and principal place of business of the standards development organization is: Steel Tank Institute, Lake Zurich, IL. The nature and scope of STI's standards development activities are: To develop, promulgate and publish voluntary consensus standards, recommended practices and installation guidelines for the manufacture, installation, testing and inspection of underground and aboveground shop-fabricated steel storage tanks. STI standards ensure that underground and aboveground shop-fabricated steel storage tanks meet standards for safety and reliability so that users and other members of the public are assured that such tanks are properly manufactured, installed, tested and inspected. STI's voluntary consensus standards are developed by STI members and other interested parties who wish to participate in the process.

Additional information concerning STI can be obtained from Wayne Geyer, Executive Director, STI, at (847) 438-8265 (ext. 234).
