

We valued labor based on a regression-based wage rate in accordance with 19 CFR 351.408(c)(3). This information is available on the Department's Web site at <http://www.ia.ita.doc.gov/wages/01wages/01wages.html>.

To value factory overhead, selling, general, and administrative expenses, and profit, we used rates based on data obtained from the Reserve Bank of India Bulletin.

Preliminary Results of Review

We preliminarily determine that the following margin exists for the period July 1, 2002, through June 30, 2003:

Manufacturer/Exporter

	Margin (percent)
Tianjin Chemicals Import and Export Corporation and produced by Hengshui Dongfeng Chemical Co., Ltd	36.74

The Department will disclose to parties the calculations performed in connection with these preliminary results within ten days of the date of publication of this notice. Interested parties may request a hearing within 30 days of the publication. Any hearing, if requested, will be held 44 days after the publication of this notice or the first workday thereafter. Interested parties may submit case briefs not later than 30 days after the date of publication of this notice. Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than 37 days after the date of publication of this notice. Interested parties are also reminded that they have until 20 days after the date of publication of this notice to submit any surrogate-value information that they would like the Department to consider in the course of this review.

As these are preliminary results, the Department may still come to a conclusion that Tianjin has not resumed dumping. Since we have preliminarily established that sebacic acid produced by Hengshui and exported by Tianjin is being sold at less than NV, the antidumping duty order is hereby provisionally reinstated, and we will instruct CBP to suspend liquidation of all entries of subject merchandise exported by Tianjin and manufactured by Hengshui entered, or withdrawn from warehouse, for consumption on or after the date of publication of this notice in the **Federal Register**.

Furthermore, a cash-deposit requirement of 36.74 percent will be in effect for all shipments of the subject merchandise produced by Hengshui and

exported by Tianjin that are entered, or withdrawn from warehouse, for consumption on or after the publication date of this notice. This requirement shall remain in effect until publication of the final results of the next administrative review unless the Department finds that Tianjin has not resumed dumping in the final results of this changed circumstance review.

The Department will complete this review within 270 days of the date on which it initiated the changed circumstances review (i.e., March 28, 2005). In accordance with 19 CFR 351.216(e), the final results of the changed circumstance review will set forth the factual and legal conclusions upon which our results are based and a description of any action proposed based on those results. This notice is in accordance with section 751(b)(1) of the Act and 19 CFR 351.216 and 351.222.

Dated: November 15, 2004.

James J. Jochum,

Assistant Secretary for Import Administration.

Stainless Steel Sheet and Strip in Coils From Mexico; Antidumping Duty Administrative Review; Extension of Time Limit

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the Department) is extending the time limit for the final results of the 2002-2003 administrative review of the antidumping duty order on stainless steel sheet and strip in coils from Mexico. This review covers one manufacturer/exporter of the subject merchandise to the United States, ThyssenKrupp Mexinox S.A. de C.V. (Mexinox), and the period July 1, 2002, through June 30, 2003.

EFFECTIVE DATE: November 26, 2004.

FOR FURTHER INFORMATION CONTACT: Angela Strom at (202) 482-2704, Maryanne Burke at (202) 482-5604 or Robert James at (202) 482-0649, Antidumping and Countervailing Duty Operations, Office Seven, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230.

SUPPLEMENTARY INFORMATION: On August 6, 2004, we published the preliminary results of the administrative review of stainless steel sheet and strip in coils from Mexico for the period July 1, 2002, through June 30, 2003. See *Stainless Steel Sheet and Strip in Coils From Mexico; Preliminary Results of Antidumping Duty Administrative Review*, 69 FR 47905 (August 6, 2004). Pursuant to the time limits for administrative reviews set forth in section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Tariff Act), currently the final results of this administrative review are due on December 4, 2004. It is not practicable to complete this review within the normal statutory time limit due to a number of significant case issues, including the calculation of general and administrative expenses, interest expenses and the value of direct materials used in the cost of production and constructed value figures. Furthermore, additional time is necessary for the Department to analyze certain adjustments made to normal value and to evaluate the commercial transactions between Mexinox and affiliated parties. Thus, it is not practicable to complete this review within the normal statutory time limit. Therefore, the Department is extending the time limit for completion of the final results until January 14, 2005, in accordance with section 751(a)(3)(A) of the Tariff Act.

Dated: November 19, 2004.

Stainless Steel Wire Rod From India: Extension of Time Limit for the Preliminary Results of the Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce is extending the time limit for the preliminary results of the administrative review of the antidumping duty order on stainless steel wire rod from India until December 30, 2004. This extension applies to the administrative review of three producers, Chandan Steel, Ltd.,

Isibars Steel, Ltd., and The Viraj Group. The period of review is December 1, 2002, through November 30, 2003.

EFFECTIVE DATE: November 26, 2004.

FOR FURTHER INFORMATION CONTACT: Edythe Artman or Minoo Hatten, AD/CVD Operations, Office 5, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-3931 and (202) 482-1690, respectively.

Background

On January 22, 2004, the Department of Commerce (the Department) published a notice of initiation of the antidumping duty administrative review covering two companies, Isibars Steel Ltd. and The Viraj Group. See *Notice of Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 69 FR 3117 (Jan. 22, 2004). On February 24, 2004, the Department published a notice of initiation of the antidumping duty administrative review covering another company, Chandan Steel Ltd. (Chandan). See *Notice of Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 69 FR 8379 (Feb. 24, 2004).¹ On July 15, 2004, the Department published a notice that extended the time limit for the preliminary results of review until December 10, 2004. See *Stainless Steel Wire Rod from India: Extension of Time Limit for the Preliminary Results of the Antidumping Duty Administrative Review*, 69 FR 42421 (July 15, 2004).

Extension of Time Limit for Preliminary Results

The Tariff Act of 1930, as amended (the Act), at section 751(a)(3)(A), provides that the Department will issue the preliminary results of an administrative review of an antidumping duty order within 245 days after the last day of the anniversary month of the date of publication of the order. The Act provides further that if the Department determines that it is not practicable to complete the review within this time period, the Department

may extend the 245-day period to 365 days.

The Department has determined that it is not practicable to complete the preliminary results by the current deadline of December 10, 2004. As stated in our first notice of extension, there are a number of complex factual questions pertaining to the sales practices and manufacturing costs which impact the calculation of the antidumping margins in the administrative review. The analysis of the questionnaire responses has required more time than initially anticipated and we must still conduct verifications. Therefore, in accordance with section 751(a)(3)(A) of the Act, and 19 CFR 351.213(h)(2), the Department is extending the time limit for the preliminary results by 20 days to December 30, 2004.

We are issuing this notice in accordance with section 751(a)(3)(A) of the Act.

Dated: November 19, 2004.

Deputy Assistant Secretary for Import Administration.

Certain Steel Concrete Reinforcing Bars From Turkey; Corrected Final Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Correction to final results of antidumping duty administrative review.

EFFECTIVE DATE: November 26, 2004.

FOR FURTHER INFORMATION CONTACT: Irina Itkin or Elizabeth Eastwood, Office of AD/CVD Enforcement, Office 2, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC, 20230; telephone (202) 482-0656 and (202) 482-3874, respectively.

Background

On November 8, 2004, the Department of Commerce (the Department) published in the **Federal Register** its notice of final results of the antidumping duty administrative review on certain steel concrete reinforcing bars

(rebar) from Turkey for the period April 1, 2002, through March 31, 2003. See *Certain Steel Concrete Reinforcing Bars From Turkey; Final Results, Rescission of Antidumping Duty Administrative Review in Part, and Determination Not To Revoke in Part*, 69 FR 64731 (Nov. 8, 2004) (*Final Results*). In the calculations for the final results, the Department determined that Colakoglu Metalurji A.S. (Colakoglu), a respondent in this administrative review, made no home market sales below the cost of production during the period of review (POR). However, the Department mistakenly stated in the *Final Results* that Colakoglu made below-cost sales not in the ordinary course of trade. See *Final Results*, 69 FR at 64733.

We now correct the final results of the 2002-2003 antidumping duty administrative review of rebar from Turkey as noted above. As a result of this correction, we find that Colakoglu made no sales below cost during the POR.

These corrected final results are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Tariff Act of 1930, as amended.

Dated: November 19, 2004.

Joseph A. Spetrini,
Acting Assistant Secretary for Import Administration.

¹ The Department did not include Chandan in the initiation notice for December cases because the company requested evaluation as a new shipper. The Department denied this request after publication of the January 22, 2004, initiation notice for December cases. Because Chandan also made a timely request for an administrative review, the Department included Chandan in the 2002-2003 administrative review. Accordingly, all deadlines applicable to the companies included in the December initiation notice are applicable to Chandan.
