Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under section 351.402(f) of the Department's regulations to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during these review periods. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

These new shipper reviews and this notice are published in accordance with

sections 751(a)(2)(B) and 777(i)(1) of the Act.

Dated: November 19, 2004.

The period of review (POR) is July 1, 2002, through June 30, 2003. This extension is made pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended by the Uruguay Round Agreements Act (the Act).

EFFECTIVE DATE: November 29, 2004.

FOR FURTHER INFORMATION CONTACT: Joshua Reitze or Sean Carey, AD/CVD Operations, Office VI, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230, telephone: (202) 482-0666 and (202) 482-3964, respectively.

SUPPLEMENTARY INFORMATION:

Background

On July 27, 1999, the Department published the amended final determination and antidumping duty order on SSSS from France in the **Federal Register**. See *Notice of Amended Final Determination of Sales at Less Than Fair Value and Antidumping Duty Order; Stainless Steel Sheet and Strip in Coils from France*, 64 FR 40562 (July 27, 1999) (*Antidumping Duty Order*). On July 30, 2003, Allegheny Ludlum Corporation, AK Steel, Inc., North American Stainless, United Steelworkers of America, AFL-CIO/CLC, Butler Armco Independent Union, and Zanesville Armco Independent Organization (collectively, the Petitioners) requested

that the Department conduct a review of Uginé and ALZ France S.A.'s sales or entries of merchandise subject to the Department's antidumping duty order on SSSS from France. On July 31, 2003, Uginé and ALZ France S.A. (U&A France) (the Respondent), a producer and exporter of subject merchandise, also requested that the Department conduct a review of U&A France's sales or entries of subject merchandise for the POR.

On August 22, 2003, in accordance with section 751(a) of the Act, the Department published in the **Federal Register** a notice of initiation of this antidumping duty administrative review for the period July 1, 2002, through June 30, 2003. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 68 FR 50750 (August 22, 2003). On February 26, 2004, the Department published in the **Federal Register** an extension of time limits for the preliminary results. See *Extension of Time Limit of the Preliminary Results of Antidumping Duty Administrative Review*, 69 FR 8936 (February 26, 2004). On August 6, 2004, the Department published the preliminary results of the administrative review. See *Preliminary Results of Antidumping Duty Administrative Review: Stainless Steel Sheet and Strip in Coils from France*, 69 FR 47892 (August 6, 2004).

Extension of Time Limits for Final Results

Section 751(a)(3)(A) of the Act requires the Department to issue the preliminary results of an administrative review within 245 days after the last day of the anniversary month of an antidumping duty order for which a review is requested and issue the final results within 120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the review within the time period, section 751(a)(3)(A) of the Act allows the Department to extend these deadlines to a maximum of 365 days and 180 days, respectively.

The Department recently received case briefs and rebuttal briefs from the interested parties involved in this administrative review. In the instant review, the Department has determined that it is not practicable to complete the review within the statutory time limit due to the need for analysis of certain complex issues, including the treatment of constructed export price offsets, the treatment of downstream sales and of various expenses claimed by U&A France. Therefore, in accordance with section 751(a)(3)(A) of the Act, the

Department is extending the time limit for the final results to no later than February 2, 2005, which is 180 days from the date of publication of the *Preliminary Results*. This notice is issued and published in accordance with section 751(a)(1) of the Act and section 351.213(h)(2) of the Department's regulations.

Dated: November 22, 2004.

Barbara E. Tillman,

Acting Deputy Assistant Secretary for Import Administration.

Stainless Steel Sheet & Strip in Coils From Italy; Extension of Preliminary and Final Results of Full Sunset Review of Countervailing Duty Order

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of Extension of Time Limit for the Preliminary and Final Results of Full Sunset Review of Countervailing Duty Order: Stainless Steel Sheet & Strip in Coils from Italy.

SUMMARY: The Department of Commerce ("the Department") is extending the time limit for its preliminary and final results in the full sunset review of the countervailing duty order on stainless steel sheet & strip in coils ("SSSS") from Italy.¹ The Department intends to issue preliminary results of this sunset review on or about December 20, 2004. In addition, the Department intends to issue its final results of this review on or about April 27, 2005 (120 days after the date of publication in the **Federal Register** of the preliminary results).

EFFECTIVE DATE: November 29, 2004.

FOR FURTHER INFORMATION CONTACT:

Hilary E. Sadler, Esq., Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street & Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-4340.

¹ The Department normally will issue its preliminary results in a full sunset review not later than 110 days after the date of publication in the **Federal Register** of the notice of initiation. However, if the Secretary determines that a full sunset review is extraordinarily complicated under section 751(c)(5)(C) of the Tariff Act of 1930 ("the Act"), as amended, the Secretary may extend the period for issuing final results by not more than 90 days. See section 751(c)(5)(B) of the Act.

Extension of Preliminary and Final Determinations

In accordance with section 751(c)(5)(C)(ii) of the Tariff Act of 1930 ("Act"), the Department may treat sunset reviews as extraordinarily complicated if the issues are complex in order to extend the period of time under section 751(c)(5)(B) of the Act for making a sunset determination. As discussed below, the Department has determined that these reviews are extraordinarily complicated. On June 1, 2004, the Department initiated a sunset review of the countervailing duty order on SSSS from Italy. See *Initiation of Five-Year (Sunset) Reviews*, 69 FR 30874 (June 1, 2004). The Department, in this proceeding, determined that it would conduct a full (240-day) sunset review of this order based on responses from the domestic and respondent interested parties to the notice of initiation. The Department's preliminary results of this review were scheduled for November 22, 2004. However, several complicated issues have arisen regarding issues raised by the parties and the effect of the recent section 129 determination on this sunset review. See *Notice of Implementation Under Section 129 of the Uruguay Round Agreements Act: Countervailing Measures Concerning Certain Steel Products from the European Communities*, 68 FR 64858 (November 17, 2003).

Because of the numerous, complex issues in this proceeding, the Department will extend the deadlines. Thus, the Department intends to issue the preliminary results on or about December 20, 2004, and the final results on or about April 27, 2005, in accordance with section 751(c)(5)(B) and (C)(ii) of the Act.

Dated: November 22, 2004.

Joseph A. Spetrini,

Acting Assistant Secretary for Import Administration.
