Expiration Date of Approval: April 30, 2005.

Type of Request: Extension of a currently approved information collection.

Abstract: Rural Development uses electronic methods (Customer Initiated Payments [CIP], FedWire, and Preauthorized Debits [PAD]) for receiving and processing loan payments and collections. These electronic collection methods provide a means for Rural Development borrowers to transmit loan payments from their financial institution (FI) accounts to Rural Development's Treasury Account and receive credit for their payments.

To administer these electronic loan collection methods, Rural Development collects the borrower's FI routing information (routing information includes the FI routing number and the borrower's account number). Rural Development uses Agency approved

forms for collecting bank routing information for CIP, FedWire, and PAD.

Each Rural Development borrower who elects to participate in electronic loan payments will only prepare one response for the life of their loan unless they change financial institutions or accounts.

Estimated Number of Respondents: 22,263.

Estimated Number of Responses per Respondent: 1.
