

and 214 of the Commission's Rules of Practice and Procedure. 18 CFR 385.211, 385.214 (2004).

NorthPoint Energy Solutions, Inc., 109 FERC ¶ 61,178 (2004).

Notice is hereby given that the deadline for filing motions to intervene or protest, is December 20, 2004.

Absent a request to be heard in opposition by the deadline above, NorthPoint is authorized to issue securities and assume obligations or liabilities as a guarantor, indorser, surety, or otherwise in respect of any security of another person; provided that such issuance or assumption is for some lawful object within the corporate purposes of NorthPoint, compatible with the public interest, and is reasonably necessary or appropriate for such purposes.

The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued approval of NorthPoint's issuances of securities or assumptions of liability.

Copies of the full text of the Commission's Order are available from the Commission's Public Reference Room, 888 First Street, NE., Washington, DC 20426. The Order may also be viewed on the Commission's Web site at <http://www.ferc.gov>, using the eLibrary link. Enter the docket number excluding the last three digits in the docket number filed to access the document. Comments, protests, and interventions may be filed electronically via the internet in lieu of paper. See, 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's web site under the "e-Filing" link. The Commission strongly encourages electronic filings.

Magalie R. Salas,
Secretary.

[Docket No. ER05-41-000]

Oasis Power Partners, LLC; Notice of Issuance of Order

November 23, 2004.

Oasis Power Partners, LLC (Oasis) filed an application for market-based rate authority, with an accompanying rate schedule. The proposed rate schedule provides for wholesale sales of energy, capacity and ancillary services at market-based rates. Oasis also

requested waiver of various Commission regulations. In particular, Oasis requested that the Commission grant blanket approval under 18 CFR Part 34 of all future issuances of securities and assumptions of liability by Oasis.

On November 19, the Commission granted the request for blanket approval under Part 34, subject to the following:

[A]ny person desiring to be heard or to protest the blanket approval of issuances of securities or assumptions of liability by Oasis should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure. 18 CFR 385.211, 385.214 (2004).

Oasis Power Partners, LLC, 109 FERC ¶ 61,180 (2004).

Notice is hereby given that the deadline for filing motions to intervene or protest, is December 20, 2004.

Absent a request to be heard in opposition by the deadline above, Oasis is authorized to issue securities and assume obligations or liabilities as a guarantor, indorser, surety, or otherwise in respect of any security of another person; provided that such issuance or assumption is for some lawful object within the corporate purposes of Oasis, compatible with the public interest, and is reasonably necessary or appropriate for such purposes.

The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued approval of Oasis' issuances of securities or assumptions of liability.

Copies of the full text of the Commission's Order are available from the Commission's Public Reference Room, 888 First Street, NE., Washington, DC 20426. The Order may also be viewed on the Commission's Web site at <http://www.ferc.gov>, using the eLibrary link. [Docket Nos. CP05-25-000; CP05-26-000; CP05-27-000; CP05-28-000]

Seafarer U.S. Pipeline System, Inc.; Notice of Filing

November 23, 2004.

Take notice that on November 16, 2004, Seafarer U.S. Pipeline System, Inc. (Seafarer), 1001 Louisiana Street, Houston, Texas 77002, filed an application, in Docket Nos. CP05-25-000, *et al.*, pursuant to section 7 of the Natural Gas Act (NGA), as amended, and Parts 157 and 284 of the Commission's Rules and Regulations, for: (i) A certificate of public convenience and necessity authorizing Seafarer to construct, own, and operate a new natural gas pipeline under Part 157, Subpart A; (ii) a blanket certificate authorizing Seafarer to self-implement routine activities, including construction, acquisition, operation, or abandonment of certain facilities under Part 157, Subpart F; and (iii) a blanket certificate authorizing Seafarer to transport natural gas, on an open access and self-implementing basis, under Part 284, Subpart G.

Concurrently, in a separate filing, Docket No. CP05-28-000, Seafarer filed an application pursuant to section 3 of the NGA and Part 153 of the Commission's Rules and Regulations, and also request for a Presidential Permit for importing and transporting natural gas from a proposed interconnection at the US/Bahamian Exclusive Economic Zone (EEZ) boundary with a proposed Bahamian pipeline connected to the proposed High Rock LNG terminal located at South Riding Point on Grand Bahama Island.

The applications are on file with the Commission and open for public inspection. These filings are available for review at the Commission in the Public Reference Room or may be viewed on the Commission's Web site at <http://www.ferc.gov> using the "eLibrary" link.
