

collection. The information filed with the Commission is mandatory.

4. *Necessity of the Collection of Information:* Submission of this information is necessary to enable the Commission to carry out its responsibilities in implementing the statutory provisions of sections 4(e) and 8 of the Federal Power Act (FPA). Section 4(e) authorizes the Commission to issue licenses for the construction, operation and maintenance of reservoirs, power houses and transmission lines or other facilities necessary for development and improvement of navigation and for the development, transmission, and utilization of power from bodies of water that Congress has jurisdiction over. Section 8 of the FPA provides that the voluntary transfer of any license can only be made with the written approval of the Commission. Any successor to the licensee may assign the rights of the original license but is subject to all of the conditions of the license.

The information filed with the Commission is mandatory requirement contained in the format of a written application for transfer of license, executed jointly by the parties to the proposed transfer. The transfer of a license may be occasioned by the sale or merger of a licensed hydroelectric project. It is used by the Commission's staff to determine the qualifications of the proposed transferee to hold the license, and to prepare the transfer of the license order. The Commission implements these requirements in the Code of Federal Regulations (CFR) under 18 CFR part 9 and 131.20.

5. *Respondent Description:* The respondent universe currently comprises 23 respondents (average) subject to the Commission's jurisdiction

6. *Estimated Burden:* 920 total hours, 23 respondents (average per year), 1 response per respondent, and 40 hours per response (average).

7. *Estimated Cost Burden to respondents:* 920 hours/2080 hours per years \times \$108,588 per year = \$48,029.

Statutory Authority: Sections 4(e) and 8 of the Federal Power Act (16 U.S.C. 792-828c).

Enogex Inc.; Notice of Petition for Rate Approval

November 19, 2004.

Take notice that on November 15, 2004, Enogex Inc. (Enogex) tendered for filing a revised fuel factor of 0.47% for its Enogex System for the calendar year 2005, as calculated pursuant to the formulas in Enogex's Statement of Operating Conditions. This fuel factor represents a slight increase from the 0.45% interim fuel factor filed in Docket No. PR04-15-000. Enogex seeks an effective date of January 1, 2005.

Enogex states that it is serving notice of the filing and the revised fuel percentage on all current shippers.

Pursuant to section 284.123(b)(2)(ii), if the Commission does not act within 150 days of the date of this filing, the rates will be deemed to be fair and equitable and not in excess of an amount which interstate pipelines would be permitted to charge for similar transportation service. The Commission may, prior to the expiration of the 150 day period, extend the time for action or institute a proceeding to afford parties an opportunity for written comments

and for the oral presentation of views, data, and arguments.

Any person desiring to participate in this rate filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, on or before the date as indicated below. Anyone filing an intervention or protest must serve a copy of that document on the Applicant. Anyone filing an intervention or protest on or before the intervention or protest date need not serve motions to intervene or protests on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>.
