

**DEPARTMENT OF JUSTICE****Antitrust Division****Notice Pursuant to the National Cooperative Research and Production Act of 1993—National Board of Certification for Community Association Managers**

Notice is hereby given that, on September 21, 2004, pursuant to section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* ("the Act"), National Board of Certification for Community Association Managers ("NBC-CAM") has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing (1) the name and principal place of business of the standards development organization and (2) the nature and scope of its standards development activities. The notifications were filed for the purpose of invoking the Act's provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances.

Pursuant to section 6(b) of the Act, the name and principal place of business of the standards development organization is: National Board of Certification for Community Association Managers, Alexandria, VA. The nature and scope of NBC-CAM's standards development activities are: (1) To enhance the professional practice of community association management; (2) to identify the body of knowledge necessary in that professional practice; and (3) to recognize those individuals who have demonstrated a satisfactory understanding of that body of knowledge.

**Dorothy B. Fountain,**

*Deputy Director of Operations, Antitrust Division.*
