DEPARTMENT OF JUSTICE

Office of Justice Programs

Agency Information Collection Activities: Proposed Collection; Comments Requested

ACTION: 60-day notice of information collection under review promising programs for substance abuse prevention: Replication and Evaluation Initiative.

The Department of Justice (DOJ), Office of Justice Programs, Office of Juvenile Justice and Delinquency Prevention, has submitted the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995. The proposed information collection is published to obtain comments from the public and affected agencies. Comments are encouraged and will be accepted for "sixty days" until February 7, 2005. This process is conducted in accordance with 5 CFR 1320.10.

If you have comments especially on the estimated public burden or

associated response time, suggestions, or need a copy of the proposed information collection instrument with instructions or additional information, please contact Dr. Michael Shader, (202) 616–2605, Office of Juvenile Justice and Delinquency Prevention, Office of Justice Programs, United States Department of Justice, 810 Seventh Street NW., Washington, DC 20531.

Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Comments should address one or more of the following four points:

Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

Enhance the quality, utility, and clarity of the information to be collected; and

Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

NATIONAL AERONAUTICS AND SPACE ADMINISTRATION

[Notice 04–135]

Notice of Establishment of a NASA Advisory Committee, Pursuant to the Federal Advisory Committee Act, 5 U.S.C. App 1 et seq.

Agency: National Aeronautics and Space Administration (NASA).

Explanation of Need: The Administrator of the National Aeronautics and Space Administration has determined that the establishment of a NASA Aeronautical Technologies Strategic Roadmap Committee is necessary and in the public interest in connection with the performance of duties imposed upon NASA by law. This determination follows consultation with the Committee Management Secretariat, General Services Administration.

Name of Committee: NASA Aeronautical Technologies Strategic Roadmap Committee.

Purpose and Objective: The Committee will advise the NASA Administrator on providing advanced aeronautical technologies to meet the challenges of next-generation systems in aviation, for civilian and scientific purposes, in our atmosphere and in the atmospheres of other worlds. The Committee will draw on the expertise of its members and other sources to provide its advice and recommendations to the Agency. The Committee will hold meetings and make site visits as necessary to accomplish

their responsibilities. The Committee will function solely as an advisory board and will comply fully with the provisions of the Federal Advisory Committee Act.

Lack of Duplication of Resources: The Committee's functions cannot be performed by the agency, another existing committee, or other means such as a public meeting.

Fairly Balanced Membership: The Committee will consist of a balance of experts from within the government, private industry, and academia. In addition, there may be additional experts selected for Subcommittees or Task Forces. Members of the Committee, Subcommittee or Task Forces will be chosen from among industry, academia, and government with recognized knowledge and expertise in specific areas across the NASA portfolio. Total membership will reflect a fairly balanced view.

Duration: Ad hoc.

Responsible NASA Official: Dr. Marc Allen, Advanced Planning and Integration Office, National Aeronautics and Space Administration, 300 E Street, SW., Washington, DC 20546, telephone (202) 358–2373.

P. Diane Rausch,

Advisory Committee Management Officer, National Aeronautics and Space Administration.
