

DEPARTMENT OF THE INTERIOR**Bureau of Reclamation****San Luis Unit Long-Term Contract Renewals**

AGENCY: Bureau of Reclamation, Interior.

ACTION: Notice of availability of the draft environmental impact statement (EIS).

SUMMARY: Pursuant to the National Environmental Policy Act of 1969 (as amended) and the California Environmental Quality Act, the Bureau of Reclamation has made available for public review and comment a Draft EIS for the renewal of long-term water service contracts for the San Luis Unit of the Central Valley Project (CVP). The Draft EIS describes and presents the environmental effects of three alternatives, including no action, for implementing the renewal of the long-term water service contracts. A 45-day public comment period will be allowed to receive comments from individuals and organizations on the Draft EIS.

DATES: Written comments on the Draft EIS will be accepted on or before January 24, 2005.

ADDRESSES: Send comments on the Draft EIS to Joe Thomson, Bureau of Reclamation, Mid-Pacific Region, 1243 "N" Street, Fresno, CA 93644.

SUPPLEMENTARY INFORMATION: The Draft EIS will address impacts related to the renewal of long-term water service contracts between Reclamation and the contractors in the San Luis Unit. The alternatives present a range of water service agreement provisions that could be implemented for long-term contract renewals. The first alternative, the No-Action Alternative, consists of renewing water service contracts as described by the preferred alternative of the Programmatic EIS for the Central Valley Project Improvement Act. A proposal by Reclamation was submitted to the contractors in 1999 with an alternative contract being submitted by the contractors in 2000. Reclamation and the contractors have continued to

negotiate the CVP-wide terms and conditions with these proposals serving as the basis for analysis of such "bookends." The EIS also evaluates the proposals against the No-Action Alternative as bookends to be considered for the environmental documentation that evaluates the impacts and benefits of renewing the long-term water service contracts.

DEPARTMENT OF THE INTERIOR**Bureau of Reclamation****Mendota Pool Ten-Year Exchange Agreements, Proposed Annual Water Exchange, California**

AGENCY: Bureau of Reclamation, Interior.

ACTION: Notice of availability of the final environmental impact statement (EIS).

SUMMARY: The Department of the Interior, Bureau of Reclamation (Reclamation), has prepared a final EIS, pursuant to the National Environmental Policy Act (NEPA), to evaluate the proposed annual water exchange agreements of up to 25,000 acre-feet of water per year for up to a 10-year period with the Mendota Pool Group.

The purpose of the proposed project is to provide water to irrigable lands on Mendota Pool Group properties in Westlands Water District and San Luis Water District to offset substantial reductions in contract water supplies attributable to the Central Valley Project Improvement Act (CVPIA), the Endangered Species Act listings and regulations, and new Bay-Delta water quality rules. This water would thereby enable the Mendota Pool Group farmers to maintain production on historically irrigated lands. The project is not intended to increase the amount of water for farming activities, but would replace some of the contract water lost because of increased environmental regulations that restrict water deliveries south of the export pumps at Tracy, California.

DATES: Reclamation will not make a decision on the proposed action until at least 30 days after release of the Final EIS/EIR. After the 30-day waiting period, Reclamation will complete a Record of Decision (ROD). The ROD will state the action that will be implemented and will discuss all factors leading to the decision.

ADDRESSES: The final EIS may be obtained by contacting Mr. David Young at the Bureau of Reclamation, South-Central California Area Office, 1243 N Street, Fresno, CA 93721-1813; by telephone at 559-487-5127; (TDD 559-487-5933); by e-mail at dkyoung@mp.usbr.gov; or by fax at 559-487-5397. The final EIS is also available via the Internet at <http://www.usbr.gov/mp/sccao/index.html>.
