- Enhance the quality, utility, and clarity of the information to be collected; and

- Minimize the burden of the collection of information on those who are expected to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology (e.g., permitting electronic submissions of responses).

Background: The Senior Corps Grant Application is completed by applicant organizations interested in sponsoring a Senior Corps program. The application is completed electronically using the Corporation's web-based grants management system, eGrants.

Current Action: The Corporation seeks to renew and revise the current application. When revised, the application will include additional instructions to clarify narrative and work plan sections; will contain an updated list of "Service Categories" used by applicants to identify the types of needs the national service participants will meet; and will contain current references used in the grants management system. The application will otherwise be used in the same manner as the existing application. The Corporation also seeks to continue using the current application until the revised application is approved by OMB. The current application is due to expire on March 31, 2005.
