**Notice of Funding Availability for
Revitalization of Severely Distressed
Public Housing HOPE VI Revitalization
Grants Fiscal Year 2004; Correction**

AGENCY: Office of the Assistant Secretary for Public and Indian Housing, HUD.

ACTION: Notice of funding availability; correction.

SUMMARY: On November 3, 2004, HUD published the Notice of Funding Availability (NOFA) for Revitalization of Severely Distressed Public Housing HOPE VI Revitalization and Demolition Grants for Fiscal Year 2004. This notice announces several corrections to the NOFA.

FOR FURTHER INFORMATION CONTACT: Lar Gnessin, Office of Public Housing Investments, Office of Public and Indian Housing, Department of Housing and Urban Development, 451 Seventh Street, SW., Washington DC, 20410-5000; telephone (202) 708-0614 extension 2676 (this is not a toll-free number). Hearing-or speech-impaired individuals may access this number via TTY by calling the toll-free Federal Information Relay Service at (800) 877-8339.

SUPPLEMENTARY INFORMATION:

On November 3, 2004, HUD published (69 FR 64136) the Notice of Funding Availability (NOFA) for Revitalization of Severely Distressed Public Housing HOPE VI Revitalization and Demolition Grants for Fiscal Year 2004. This notice announces corrections to the NOFA.

Subsequent to publication, the Department discovered that some references had been inconsistently used in the NOFA and appendices. Corrections to incorrect references are made in this document. This notice also makes a clarification to the description of calculating matching funds. Further clarification is made in the milestone chart that describes, in general, a timeline for the HOPE VI grant cycle. In addition, the notice clarifies that as part of the determination of capacity of existing HOPE VI grantees, production achievement numbers will be taken from the HOPE VI Quarterly Progress Report for the quarter ending September 30, 2004.

In addition, the Department discovered that two required submission items that are described in the NOFA were inadvertently left off the application checklist. Consequently, this notice explains that the checklist is

no longer a required submission of the application. Although the application checklist is not required, HUD recommends that applicants utilize the suggested Table of Contents, Appendix 1 to this Notice, to help ensure that they have included all necessary documents with their applications. For a complete list of required narrative exhibits and forms, see pages 64149 and 64150 of the November 3, 2004, NOFA publication.

After publication, HUD took notice that the explanation of Housing Choice Voucher utilization rate was unclear. Therefore, this notice also clarifies for applicants how to determine the Housing Choice Voucher utilization rate. Similarly, HUD determined that the NOFA definition of "project-based affordable housing units" needed clarification and is made clear in this correction notice. Other clarifications are included in this notice to assist applicants in understanding the NOFA. Finally, this correction notice includes additional detailed application submission information in appendices 2 and 3.

Accordingly, the Notice of Funding Availability for Revitalization of Severely Distressed Public Housing HOPE VI Revitalization Grants for Fiscal Year 2004, published in the **Federal Register** on November 3, 2004 (69 FR 64135) is corrected as follows:

1. On page 64138, in the middle column, revise paragraph III.B.1.c. to read as follows: "c. In accordance with Section 24(c) of the Act, for purposes of calculating the amount of matching funds required by Sections a. and b. above, you may not include amounts from HOPE VI program funding, including HOPE VI Revitalization, HOPE VI Demolition, and HOPE VI Neighborhood Networks grants. You may include funding from other public housing sources, *e.g.*, Capital Funds, other federal sources, any state or local government source and any private contributions. You may also include the value of donated material or buildings, the value of any lease on a building, the value of the time and services contributed by volunteers, and the value of any other in-kind services or administrative costs provided."

2. On page 64139, in the middle column, paragraph III.C.1.e., remove the phrase, "(community building, etc.)"

3. On page 64139, in the third column, paragraph III.C.1.i., page 64150, in the third column, paragraph IV.B.4.f., and on page 64156, in the middle column, paragraph V.A.1.c.(1)(iii):

HUD's approval of Supplemental Submissions.	January 2, 2006.

b. Remove the paragraph that follows immediately the Milestone table. "If grant award takes place after October 1, 2004, the grantee's program schedule may be changed in the Supplemental Submissions to account for the period of time between October 1, 2004, and the actual date of grant award." and add in its place, "If grant award takes place after May 2, 2005, the grantee's program schedule may be changed in the Supplemental Submissions to account for the period of time between May 2, 2005, and the actual date of grant award."

9. On page 64150, in the first column, paragraph IV.B.4.d., This documentation is for the Need rating factor, not a threshold. Move paragraph IV.B.4.d. from its current position to page 64151, column 3, and label it paragraph IV.B.6.b.(3).

The clause, "HOPE VI funds requested for physical development activities" is defined as your total requested amount of funds minus your requested CSS, administration amounts, and relocation. CSS and administration amounts are the total of Budget Line Items 1408 (excluding Management Improvements), 1410, and 1495 on the form HUD-52825-A, "HOPE VI Budget" that is included in your application."

24. HOPE VI REVITALIZATION APPLICATION SUBMISSION INSTRUCTIONS**GENERAL INSTRUCTIONS****A. Application Preparation**

The preparation of an approvable HOPE VI Revitalization application is time-consuming and can involve significant costs. You are cautioned that only applications with strong showings of readiness, need, and capacity will be selected.

1. Your application must be complete and you must present all items in a manner that is succinct and clear. Respond to *every requirement and question posed*. Many applicants lose crucial points because they do not adequately respond to a question, because language is unclear, and/or because there are inconsistencies in numbers or data in different parts of the application.
2. If you have not already done so, you are advised to enter into a meaningful planning process with affected residents and the surrounding community to achieve a consensus plan at application submission. Take careful note of the Resident Training Session and Public Meeting requirements in the NOFA. Be sure to advertise and document those meetings carefully. You will receive additional points under the Project Readiness rating factor if you conduct additional meetings.
3. Immediately contact public, private, and nonprofit entities, agencies, and organizations from which you plan to obtain letters, materials, or documents. This includes service providers, banks, state housing finance agencies, and other sources of financial assistance.
4. Note the requirement of a certification of severe physical distress by an independent, certified engineer or architect. If you request funds to pay for extraordinary site costs, you will also need to have an independent certified engineer or architect justify and verify those costs.
5. Specific formatting and documentation instructions are provided in the NOFA itself, and will be strictly enforced. You should carefully review Section IV of the NOFA to make sure you adhere to the various application submission, content, formatting and documentation requirements.
6. If you are proposing a mixed-finance project, you should obtain and review a copy of the Mixed Finance Guidebook by calling the Public Housing Clearinghouse at 800-955-2232. Be sure to ask for the Mixed Finance Guidebook (not the HOPE VI Grant Implementation Guidebook, which has been replaced by the HOPE VI website).

B. Application Content and Organization. Provide application materials in the following order:

1. Acknowledgement of Application Receipt (HUD-2993). The very first page of your application is the Acknowledgement of Receipt form. Print or type your name and address inside the box provided. When HUD receives your application, this receipt will be detached from your application and mailed to you to indicate that your application

was received. Please rely on this receipt and/or your overnight tracking number to determine whether your application was received. If you would like to have the receipt faxed to you, please include your fax number on the form.

2. Application for Federal Assistance (SF-424). You must use a SF-424, not a HUD-424. The CFDA number for the HOPE VI Program is 14.866. This form is included in this HOPE VI Application. Please be sure to enter your DUNS number on the form in the space provided.
3. HOPE VI Revitalization Application Table of Contents. The HOPE VI Application Table of Contents, attached at the back of these instructions, lists Narrative Exhibits, Attachments, and Standard Certifications that should be contained in the application. It is designed both to assist you in ensuring that all required elements of an application are included, and to be used as a table of contents for your completed application. After you have completed your application, please enter the page numbers of the Narrative Exhibits and Attachments and include the completed Table of Contents behind your SF-424.
4. The Narrative Exhibits constitute specific aspects of your Revitalization Plan and respond to the rating criteria in the HOPE VI Revitalization NOFA. The Narrative Exhibits make up the first part of the application. All narrative pages must be numbered sequentially and conform to the page number and format requirements of the NOFA.
5. Attachments must be located behind the Narrative Exhibits. Information in the Attachments may not substitute for information requested in a Narrative Exhibit. Attachments include photographs, maps, illustrations, Application Data Forms, letters committing financial support, etc. Videos and resumes are specifically prohibited. Fill out the Application Data Forms as completely as possible, using the instructions posted on the HOPE VI website and best estimates if necessary. Do not fill in fields blocked in gray. Be sure that all numbers and data throughout the Narrative Exhibits and Attachments are consistent. For more detailed information on the Data Forms, instructions are provided on the HOPE VI website where the NOFA is posted.
6. Standard certifications and forms must be placed at the end of the application, in the order provided for in Section IV of the NOFA and on the Application Table of Contents (guide below). Standard certifications and forms include the HOPE VI Revitalization Applicant Certifications (4 pages, to be signed by the Board Chair) and other HUD and Standard forms as identified below.

DETAILED INSTRUCTIONS FOR COMPLETING NARRATIVE EXHIBITS AND ATTACHMENTS

EXHIBIT A: SUMMARY INFORMATION

- A.1 Executive Summary. Provide an Executive Summary, not to exceed three pages. Describe your Revitalization Plan, as clearly and thoroughly as possible. Do not argue for the need for the HOPE VI grant, but explain what you would do if you received a grant. Briefly describe why the targeted project is severely distressed, provide the number of units, and indicate how

many of the units are occupied. Describe specific plans for the revitalization of the site. Include income mix, basic features (such as restoration of streets), and any mixed use or non-housing components. If you are proposing off site replacement housing, provide the number and type of units and describe the off site locations. Describe any homeownership components included in your Plan, including numbers of units. Briefly summarize your plans for community and supportive services. State the amount of HOPE VI funds you are requesting, and list the other resources you will use for your mixed-finance development, briefly indicating the strength of those financial commitments. Identify whether you have procured a developer or whether you will act as your own developer.

- A.2 **Physical Plan.** Describe your planned physical revitalization activities:
- a. rehabilitation of severely distressed public housing units in accordance with Sections I(D)(4) and III(C)(4) of the NOFA (pages 64137 and 64141 of the NOFA as published in the Federal Register).

If you are selected for funding, you will be required to submit a Homeownership Proposal (homeownership term sheet).
 - g. Rehabilitation or new construction of community facilities primarily intended to facilitate the delivery of community and supportive services for residents of the targeted development and residents of off-site replacement housing. Describe the type and amount of such space and how the facilities will be used in CSS program delivery or other activities.
 - h. Land acquisition and infrastructure and site improvements associated with developing economic development facilities, in accordance with Sections I(D)(7) and III(C)(4)(d) (pgs. 64137 and 64142) of the NOFA. - A.3 **Hazard Reduction.** Review Sections I(D), III(C)(4), and IV(E) of the NOFA (pgs. 64137, 64141, and 64154). For units to be rehabilitated or demolished, describe the extent of any required abatement of environmentally hazardous materials such as asbestos.

- A.4 **Demolition.** Review Sections I(D)(2) and III(C)(4)(a) of the NOFA (pgs. 64137 and 64141). Describe your plans for demolition, including the buildings (dwelling and non-dwelling units) proposed to be demolished, the purpose of the demolition, and the use of the site after demolition. If the proposed demolition was previously approved as a Section 18 demolition application, state the date the Section 18 demolition application was submitted to HUD and the date it was approved by HUD. Indicate whether you plan to implement the concept of Deconstruction, as described in Section III(C)(4)(f)(2) of the NOFA (pg. 64142).
- A.5 **Disposition.** Review Sections I(D)(3) and III(C)(4) of the NOFA (pgs. 64137 and 64141). Describe the extent of any planned disposition of any portion of the site. Cite the number of units or acreage to be disposed, the method of disposition (sale, lease, trade), and the status of any disposition application made to HUD.
- A.6 **Site Improvements.** Review Sections I(D), III(C)(4), and IV(E) of the NOFA (pgs. 64137, 64141, and 64154). Describe any proposed on-site improvements, including infrastructure requirements, changes in streets, etc. Describe all public improvements needed to ensure the viability of the proposed project with a narrative description of the sources of funds available to carry out such improvements.
- A.7 **Site Conditions.** Review Sections I(D), III(C)(4), and IV(E) of the NOFA (pgs. 64137, 64141, and 64154). Describe the conditions of the site to be used for replacement housing. Listing all potential contamination or danger sources (e.g. smells, fire heat, explosion and noise) that might be hazardous or cause discomfort to residents, PHA personnel, or construction workers. List potential danger sources, including commercial and industrial facilities, brownfields and other sites with potentially contaminated soil, commercial airports and military airfields. Note any facilities and/or activities within one mile of the proposed site.

**Appendix 3 Instructions for HOPE VI Application Data Forms
Attachment 1: Cover Sheet & Data Summary Box Instructions**

Begin by completing the "Applicant Information" section.

The Data Summary box, at the bottom of Attachment 1, is a summary of the information provided throughout the application.

THE DATA SUMMARY BOX SHOULD BE COMPLETED LAST.

These attachments will be available on the Internet, in Microsoft Excel. The website address is:

www.hud.gov/hopevi

If you choose to download the Microsoft Excel worksheets, your computer will complete the information required in the Data Summary box for you. You will not need to calculate this information.

Downloading the Microsoft Excel file will save you time!

However, if you are unable to complete these worksheets in Microsoft Excel, Figure 1 illustrates where the correct equations are in the instructions.

Data Summary Box Instructions

Data Summary #1

	<i>Existing</i>	<i>Post-Development</i>
<i>Number of replacement public housing units (on/off-site, including Affordable Lease/Purchase, Affordable Fee Simple Homeownership and Second Mortgage Only – excluding rehabilitated units)</i>		#1

To calculate this number, do the following:

1. From Attachment 5 SUM:

[Total ACC On-site] + [Total ACC Off-site] + [Affordable Lease/Purchase On-site] + [Affordable Lease/Purchase Off-site] + [Affordable Fee Simple On-site] + [Affordable Fee Simple Off-site] + [Second Mortgage Only On-site] + [Second Mortgage Only Off-site]

2. Then from Attachment 4 SUBTRACT:

[Grand Total Rehabilitated ACC Units] + [Grand Total Rehabilitated HOPE VI or PH funded Homeownership]

3. This EQUALS

Number of replacement public housing units (on/off-site, including Affordable Lease/Purchase, Affordable Fee Simple Homeownership and Second Mortgage--excluding rehabilitated units)

The white boxes in Figure 1 and Figure 2 (below) correspond to this equation.

Data Summary #3

	Existing	Post-Development
Number of market-rate units (no income restrictions)		#3

In order to calculate this, do the following:

1. From Attachment 5, ADD:

$[\text{Non-ACC No Income Restrictions On-site}] + [\text{Non-ACC No Income Restrictions Off-site}] + [\text{Market Rate On-site}] + [\text{Market Rate Off-site}]$

The white boxes in Figure 4 correspond to this equation.

Figure 4: Excerpt from Attachment 5: Units, Accessibility, and Concentration

Planned Units	Rental Units: ACC											
	<i>PH Only</i>		<i>PH/LIHTC</i>		<i>PH/Other</i>		<i>Total ACC</i>					
	<i>On-site</i>	<i>Off-site</i>	<i>On-site</i>	<i>Off-site</i>	<i>On-site</i>	<i>Off-site</i>	<i>On-site</i>	<i>Off-site</i>

Data Summary #5

	<i>Existing</i>	<i>Post-Development</i>
TOTAL NUMBER OF POST-DEVELOPMENT UNITS		#5

To calculate this number, add the numbers from the first four rows in the Data Summary box.

The white boxes in Figure 6 indicate this.

Figure 6: Excerpt from Data Summary box

	<i>Existing</i>	<i>Post-Development</i>
<i>Number of replacement public housing units (on/off-site, including Affordable Lease/Purchase, Affordable Fee Simple Homeownership and Second Mortgage – excluding rehabilitated units)</i>		
<i>Number of non-public housing, subsidized units (on/off site, including homeownership)</i>		
<i>Number of market-rate units (no income restrictions)</i>		
<i>Number of other units</i>		
TOTAL NUMBER OF POST-DEVELOPMENT UNITS		

Data Summary #6

	<i>Existing</i>	<i>Post-Development</i>
<i>Number of units to be rehabilitated (excluding acquisition with rehab)</i>		#6

In order to calculate this, do the following:

- From Attachment 4, ADD:**

[Grand Total of Rehabilitated ACC Units] + [Grand Total of Rehabilitated Non-ACC Units] + [Grand Total of Rehabilitated HOPE VI/PH funded Homeownership] + [Grand Total of Rehabilitated Other Homeownership]

The white boxes in Figure 7 correspond to this equation.

Data Summary #7

	<i>Existing</i>	<i>Post-Development</i>
<i>Number of newly constructed on-site units (including acquisition with rehab)</i>		#7

In order to calculate this, do the following:

1. From Attachment 5, ADD:

**[Total ACC On-site] + [Total Non-ACC On-site] + [Total Homeownership On-site]
+ [Total Other Units On-site]**

**This is your total On-site number.
The white boxes in Figure 8 indicate this.**

2. From Attachment 4, ADD:

**[Grand Total New ACC Units] + [Grand Total New Non-ACC Units] + [Grand
Total HOPE VI or PH funded Homeownership] + [Grand Total New Other
Homeownership Units]**

**This is your total New Construction number.
The white boxes in Figure 9 indicate this.**

NOTE: Any units from the Affordable Lease/Purchase Homeownership program funded with HOPE VI or public housing funds should be included in one of the ACC columns, either New Construction or Rehabilitation.

Compare the total On-Site number to the total New Construction number and enter the LESSER value in the Data Summary box.

Data Summary #8

	<i>Existing</i>	<i>Post-Development</i>
<i>Number of newly constructed off-site units (including acquisition with rehab)</i>		#8

In order to calculate this, do the following:

1. From Attachment 5, ADD:

[Total ACC Off-site] + [Total Non-ACC Off-site] + [Total Homeownership Off-site] + [Total Other Units Off-site]

This is your total Off-Site number.

The white boxes in Figure 10 indicate this.

2. From Attachment 4, ADD:

[Grand Total New ACC Units] + [Grand Total New Non-ACC Units] + [Grand Total New HOPE VI/PH funded Homeownership] + [Grand Total New Other Homeownership Units]

This is your total New Construction number.

The white boxes in Figure 11 indicate this.

NOTE: Any units from the Affordable Lease/Purchase Homeownership program funded with HOPE VI or public housing funds should be included in one of the ACC columns, either New Construction or Rehabilitation.

Compare the total Off-Site number to the total New Construction number and enter the LESSER value in the Data Summary box.

A) Attachment 2: Existing Units, Occupancy, and Vacancy Instructions

1. Complete this page by first filling in the number of occupied and vacant units according to building and bedroom types.

Existing Units at Time of Grant Application

<i>Building Type</i>	<i>Size</i>	<i>Number Occupied</i>	<i>Number Vacant</i>	<i>Total Units</i>
<i>Row</i>	0 BR			

2. Next, reading across the rows, add the Number Occupied + Number Vacant for the Total Units. Do this for all building and bedroom types.

Existing Units at Time of Grant Application

<i>Building Type</i>	<i>Size</i>	<i>Number Occupied</i>	<i>Number Vacant</i>	<i>Total Units</i>	<i>Converted to Non-Dwelling</i>	<i>Demo Planned</i>
<i>Row</i>	0 BR					

3. Of the Total Units, provide the number that will be converted to non-dwelling units and the number that will be demolished (per building and bedroom type). This will not necessarily equal your Total Units.

4. Finally, sum all the columns for the Grand Total row.

Attachment 3: Relocation, Income, and Non-Dwelling Structures Instructions

The information provided in the “Relocation/Occupancy” section should account for all occupied units reported in Attachment 2: Existing Units, Occupancy, and Vacancy. If a family is moved within the development, this should be recorded as a “move within public housing (on- and off-site).”

The section “returning households” refers only to those families that were on-site prior to revitalization and that will be moved back to the development after revitalization.

If resident households are separated at the time of relocation and the PHA provides relocation assistance to each of the resulting households individually, each is counted as a separate relocation.

If a household is moved more than once during the course of the HOPE VI project, it is counted as one relocation. Report only the number of households that are relocated, not the number of relocations that take place during the duration of the HOPE VI project.

In the “Household Income” section, report a percentage (%) and not a dollar amount. Provide only one percentage, not a range (e.g., do not report 30-45%).

Finally, complete the “Resident Profile” and “Non-Dwelling Structure Summary.”

Attachment 4: Proposed Unit Mix Post-Revitalization Instructions

Complete this form by providing all of the requested information concerning new construction and rehabilitation, according to building type and bedroom number.

Any ACC unit being developed under the Affordable Lease/Purchase program funded with HOPE VI or public housing funds should be recorded on this attachment as ACC in either the New Construction or Rehabilitation column.

The numbers you provide for new construction should include the following:

- **New units which are to be built;**
- **Existing units that are purchased with the intention of being dwelling units; and**
- **Existing units that are purchased with the intention of being rehabilitated.**

Only those units that are already owned or controlled by your PHA and are being rehabilitated should be included in the "Rehabilitation" columns.

**The information on Attachment 4 must equal the following information on Attachment 5.
Please ensure that the following are true:**

**[Attachment 4, New Construction ACC] + [Attachment 4, Rehabilitation ACC] =
[Attachment 5, Total ACC On-site] + [Attachment 5, Total ACC Off-site] + [Affordable
Lease/Purchase Homeownership On-site] + [Affordable Lease/Purchase Homeownership
Off-site]**

**[Attachment 4, New Construction Non-ACC] + [Attachment 4, Rehabilitation Non-ACC] =
[Attachment 5, Total Non-ACC On-site] + [Attachment 5, Total Non-ACC Off-site]**

**[Attachment 4, Grand Total New Construction HOPE VI or PH funded Homeownership] +
[Attachment 4, Grand Total Rehabilitation HOPE VI or PH funded Homeownership] =
[Attachment 5, Affordable Fee Simple Homeownership with HOPE VI or PH funds On-site]
+ [Attachment 5, Affordable Fee Simple Homeownership with HOPE VI or PH funds Off-
site] + [Attachment 5, Second Mortgage Only with HOPE VI or PH funds On-site] +
[Attachment 5, Second Mortgage Only with HOPE VI or PH funds Off-site]**

B) Attachment 5: Units, Accessibility, and Concentration Instructions

Complete this attachment by first filling in the planned number of ACC rental units, Non-ACC rental units, and Homeownership units by way of the categories provided.

If an ACC unit is to be developed under the Affordable Lease/Purchase program using HOPE VI or public housing funds, it should be accounted for within Homeownership in the Affordable Lease/Purchase box.

Record the number of newly constructed and rehabilitated rental, homeownership, and lease/purchase units available to each special needs category. This should include both ACC and Non-ACC units. If you have units that do not fit into any of the categories, record them in the other units box (include a description in the *Type* field).

For Accessibility, put in the percentage that each construction category is of the total unit type in the development.

Finally, record the appropriate information concerning concentration of density and very low-income families – both pre- and post-development.

When reporting a percentage, do not report a range (e.g., do not report 35-45%). Report a single percentage.

Attachment 6: Self-Sufficiency Instructions

Complete items A through J by filling in all boxes that are associated with each statement. Do not fill in any shaded boxes.

Complete item K by filling in the projected spending for each applicable category from each funding source. HOPE VI Funds should include only HOPE VI Revitalization Grant dollars. HOPE VI Demolition Grants should be included in "Other Funds."

Complete item L by describing your Self-Sufficiency programs and by listing partners associated with this component of the HOPE VI project.

Attachment 7: Sources and Uses Instructions

**THE TOTAL HOPE VI USES MUST EXACTLY EQUAL THE
HOPE VI IMPLEMENTATION GRANT
(The first line under Sources)**

**THE TOTAL USES MUST EXACTLY EQUAL THE
TOTAL SOURCES
FAILURE TO DO SO WILL LOWER YOUR SCORE**

MATH WILL BE CHECKED

The column labeled "HOPE VI Uses (\$)" should equal your proposed HOPE VI budget.

The column labeled "Non-HOPE VI Uses" should equal your proposed budget for all other funds for the HOPE VI project (e.g., all leveraged funds). For the purposes of this program, the HOPE VI Demolition grants are considered leveraged funds and are, therefore, Non-HOPE VI funds and should be accounted for in the Non-HOPE VI Uses column.

The "Total" column is the sum of the HOPE VI Uses and Non-HOPE VI Uses columns. Sum across rows, line item by line item, as well as down columns for the totals.

You must budget a single dollar amount for each budget line item. Do not show a range of dollars (e.g., \$500,000-\$750,000). Also, it is insufficient to include statements such as "included in above amount" in lieu of a dollar figure. If an amount is included in another amount, break it out and budget it exactly.

The Sources column is concerned with all sources of funding received by the PHA for the HOPE VI project. The first line, HOPE VI, refers to the HOPE VI Revitalization Grant, which is different from the HOPE VI Demolition Grants. The first line of the "Sources" column must equal your HOPE VI Revitalization Grant. The HOPE VI Demolition Grants are accounted for as a separate line item in the Sources column.
