### Office of Community Oriented Policing Services; Agency Information Collection Activities: Proposed Collection; Comments Requested

**ACTION:** 30-day notice of information collection under review: COPS application guide: Open/competitive programs.

The Department of Justice (DOJ), Office of Community Oriented Policing Services (COPS) has submitted the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995. The proposed information collection is published to obtain comments from the public and affected agencies. This proposed information collection was previously published in the **Federal Register** Volume 69, Number 206, page 62457 on October 26, 2004, allowing for a 60-day comment period.

The purpose of this notice is to allow for an additional 30 days for public comment until February 2, 2005. This process is conducted in accordance with 5 CFR 1320.10.

Written comments and/or suggestions regarding the items contained in this notice, especially the estimated public burden and associated response time, should be directed to the Office of Management and Budget, Office of Information and Regulatory Affairs, Attention Department of Justice Desk Officer, Washington, DC 20503. Additionally, comments may be

submitted to OMB via facsimile to (202) 395-5806. Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agencies estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of responses.

### Overview of This Information Collection

(1) *Type of Information Collection:* New collection.

(2) *Title of the Form/Collection:* COPS Application Guide: Open/Competitive Programs.

(3) *Agency form number, if any, and the applicable component of the Department sponsoring the collection:* None. U.S. Department of Justice, Office of Community Oriented Policing Services.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* Primary: Law enforcement agencies and other public and private entities that apply for COPS Office grants or cooperative agreements will be asked to review the COPS Application Guide: Open/Competitive Programs. The COPS Application Guide: Open/Competitive Programs is the result of a COPS Office business process reengineering effort aimed at standardization as required under the grant streamlining requirements of Public Law 106-107, the Federal Financial Assistance Management Improvement Act of 1999, as well as the President's Management Agenda E-grants Initiative. This new Guide streamlines instructional booklets across all COPS Office open/competitive programs and should reduce the burden on applicants due to their ability to use the same Guide to gather information on

multiple COPS Office programs, thus reducing the need for the applicant to review multiple instructions.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond/reply:* It is estimated that 5,200 respondents annually will complete the form within 1 hour.

(6) *An estimate of the total public burden (in hours) associated with the collection:* There are an estimated 5,200 annual burden hours associated with this collection.

If additional information is required contact: Brenda E. Dyer, Department Clearance Officer, United States Department of Justice, Justice Management Division, Policy and Planning Staff, Patrick Henry Building, Suite 1600, 601 D Street NW., Washington, DC 20530.

Dated: December 27, 2004.

### Drug Enforcement Administration

[DEA # 259E]

#### Controlled Substances: Established Initial Aggregate Production Quotas for 2005

**AGENCY:** Drug Enforcement Administration (DEA), Justice.

**ACTION:** Notice of aggregate production quotas for 2005.

**SUMMARY:** This notice establishes initial 2005 aggregate production quotas for controlled substances in Schedules I and II of the Controlled Substances Act (CSA).

**DATES:** *Effective Date:* January 3, 2005.

**FOR FURTHER INFORMATION CONTACT:** Christine A. Sannerud, Ph.D., Chief, Drug & Chemical Evaluation Section, Drug Enforcement Administration, Washington, DC 20537, Telephone: (202) 307-7183.

**SUPPLEMENTARY INFORMATION:** Section 306 of the CSA (21 U.S.C. 826) requires that the Attorney General establish aggregate production quotas for each basic class of controlled substance listed in Schedules I and II. This responsibility has been delegated to the Administrator of the DEA by Section 0.100 of Title 28 of the Code of Federal Regulations. The Administrator, in turn, has redelegated this function to the Deputy Administrator, pursuant to

Section 0.104 of Title 28 of the Code of Federal Regulations.

The 2005 aggregate production quotas represent those quantities of controlled substances that may be produced in the United States in 2005 to provide adequate supplies of each substance for: the estimated medical, scientific, research and industrial needs of the United States; lawful export requirements; and the establishment and maintenance of reserve stocks (21 U.S.C. 826(a) and 21 CFR 1303.11). These quotas do not include imports of controlled substances for use in industrial processes.

On December 3, 2004, a notice of the proposed initial 2005 aggregate production quotas for certain controlled substances in Schedules I and II was published in the **Federal Register** (69 FR 70284). All interested persons were invited to comment on or object to these proposed aggregate production quotas on or before December 27, 2004.

Nine responses were received resulting in comments on a total of fourteen Schedules I and II controlled substances within the published comment period. The responses commented that the proposed aggregate production quotas for alfentanil, amphetamine, codeine, fentanyl, gamma-hydroxybutyric acid (GHB), hydromorphone, levorphanol, methadone, methadone intermediate, methamphetamine (for conversion), methylphenidate, oxycodone and tetrahydrocannabinols were insufficient to provide for the estimated medical, scientific, research and industrial needs of the United States, for export requirements and for the establishment and maintenance of reserve stocks. One comment stated that the proposed aggregate production quota for 2,5-dimethoxyamphetamine was too high.

DEA has taken into consideration the above comments along with the relevant 2004 manufacturing quotas, current 2004 sales and inventories, 2005 export requirements, and research and product development requirements. Based on this information, the DEA has adjusted the initial aggregate production quotas for hydromorphone, lysergic acid diethylamide, marijuana, methamphetamine (for conversion), and tetrahydrocannabinols to meet the legitimate needs of the United States.

Regarding 2,5-dimethoxyamphetamine, alfentanil, amphetamine, codeine, fentanyl, gamma-hydroxybutyric acid (GHB), levorphanol, methadone, methadone intermediate, methylphenidate and oxycodone, the DEA has determined that the proposed initial 2005 aggregate production quotas are sufficient to meet
