SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-50940; File No. SR-Amex-2004-102]

Self-Regulatory Organizations; American Stock Exchange LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change and Amendment No. 1 Thereto Relating to Transaction Fees in Connection With the iShares® FTSE/Xinhua China 25 Index Fund

December 28, 2004.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b-4 thereunder,² notice is hereby given that on December 13, 2004, the American Stock Exchange LLC (“Amex” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in items I, II, and III below, which items have been prepared by the Exchange. On December 23, 2004, the Exchange filed Amendment No. 1 to the proposed rule change.³ The Commission is publishing this notice to solicit comments on the proposed rule change, as amended, from interested persons.

1. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to revise transaction fees for specialists and registered options traders (“ROT’s”) in connection with transactions in the iShares® FTSE/Xinhua China 25 Index Fund (“FTSE/Xinhua Fund”). The text of the proposed rule change is available at the office of The Secretary, Amex, and at the Commission.

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

³ In Amendment No. 1, the Exchange: (1) Specified that the trading of the iShares® FTSE/Xinhua China 25 Index Fund commenced on the Exchange on December 20, 2004; (2) clarified that the proposed transaction fee with respect to the iShares® FTSE/Xinhua China 25 Index Fund is not changing; (3) made clarifying changes to the statement of the purpose of the proposed license fee; and (4) made technical changes to the proposed rule text. The Commission notes that Exhibit 4 of Amendment No. 1 included marked additions to the Amex Exchange Traded Funds and Trust Issued Receipts Fee Schedule that had already been indicated in the original proposal.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The proposed rule change sets forth the manner in which the Exchange will charge transaction fees for the FTSE/Xinhua Fund. The Amex launched the trading of the FTSE/Xinhua Fund on December 20, 2004.⁴ Transaction charges for specialists, ROTs, broker-dealers and customers in connection with the FTSE/Xinhua Fund would be billed at current rates existing for exchange traded funds (“ETFs”) without unreimbursed fees to a third party as set forth in Item #7 to the Exchange’s Equity Fee Schedule and Section 1 of the Amex Exchange Traded Funds and Trust Issued Receipts Fee Schedule. Accordingly, specialists would be charged a transaction fee of \$.0033 per share (\$.33 per 100 shares), capped at \$300 per trade (90,909 shares) while ROTs would be charged a transaction fee of \$.0036 per share (\$.36 per 100 shares), capped at \$300 per trade (83,333 shares). Transaction charges for specialists would be capped at \$400,000 per month per specialist unit. Off-floor orders (*i.e.*, customer and broker-dealer) would be charged a transaction fee of \$.006 per share (\$.60 per 100 shares), capped at \$100 per trade (16,667 shares). These fees are not changing.

In addition to the transaction charges set forth above, the Exchange would charge specialists and ROTs a license fee of \$0.06 per 100 shares in connection with transactions in shares of the FTSE/Xinhua Fund. Thus, the total proposed fee for transactions in shares of the FTSE/Xinhua Fund is: (1) For specialists, \$.0039 per share (\$.39 per 100 shares), capped at \$300 per trade (76,923 shares); (2) for ROTs,

\$.0042 per share (\$.42 per 100 shares), capped at \$300 per trade (71,428 shares); and (3) for customers and brokers-dealers, \$.006 per share (\$.60 per 100 shares), capped at \$100 per trade (16,667 shares).

The purpose of the proposed license fee is for the Exchange to recoup its costs in connection with the index license fee for the trading of shares of the FTSE/Xinhua Fund. The proposed licensing fee will be collected on every transaction of the FTSE/Xinhua Fund in which the specialist or ROT is a party. The Exchange believes that requiring the payment of a per contract licensing fee by those specialists units and ROTs that are the beneficiaries of the Exchange’s index license agreements is justified and consistent with the rules of the Exchange. In addition, passing along the license fee (on a per contract basis) to the specialist allocated to the FTSE/Xinhua Fund and those ROTs trading such product is efficient and consistent with the intent of the Exchange to pass on its non-reimbursed costs to those market participants that are the beneficiaries.

The Exchange notes that in recent years it has increased a number of member fees to better align Exchange fees with the actual cost of delivering services and reduce Exchange subsidies of such services.⁵ Implementation of this proposal is consistent with the reduction and/or elimination of these subsidies.

The Exchange submits that the proposed license fee is intended to recoup the costs associated with the trading of the FTSE/Xinhua Fund. The Exchange will monitor the revenue generated in connection with the FTSE/Xinhua Fund license fee. In the event the revenue generated is greater than the Exchange’s cost to the index provider, the Exchange will seek to rebate the difference back to the affected specialists and ROTs. The Amex believes that this fee will help to allocate to those specialists and ROTs transacting in FTSE/Xinhua Fund shares a fair share of the related costs of offering such ETFs. Accordingly, the Exchange believes that the proposed fee is reasonable.

2. Statutory Basis

The proposed fee change is consistent with section 6(b)(4) of the Act⁶ regarding the equitable allocation of reasonable dues, fees, and other charges

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

At any time within 60 days of December 23, 2004, the Commission may summarily abrogate such proposed rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in the furtherance of the purposes of the Act.⁹
