List of Fisheries for 2005

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Proposed rule; extension of public comment period.

2005 under the Marine Mammal Protection Act (MMPA) was published in the Federal Register. NMFS is extending the comment period on this proposed LOF to March 4, 2005.

SUPPLEMENTARY INFORMATION: On December 2, 2004, the proposed List of Fisheries for 2005 under the Marine Mammal Protection Act was published in the **Federal Register** (69 FR 70094).

NMFS must categorize each commercial fishery on the LOF into one of three categories under the MMPA based on the level of serious injury and mortality of marine mammals that occurs incidental to the fishery. NMFS must publish in the **Federal Register** any necessary changes to the LOF after notice and opportunity for public comment. In the proposed LOF for 2005, NMFS proposed several fishery classification, fishery name, and organizational changes. In particular, NMFS proposed to reclassify the California/Oregon thresher shark/swordfish drift gillnet (≥ 14 in. mesh) from Category II (occasional incidental mortality and serious injury) to Category I (frequent incidental mortality and serious injury) and to reclassify the Northeast bottom trawl, Mid-Atlantic bottom trawl, and five Alaska fisheries from Category III (remote likelihood of or no known incidental mortality and serious injury) to Category II. The five Alaska fisheries include the following: Bering Sea and Aleutian Islands (BSAI) flatfish trawl, BSAI Greenland turbot longline, BSAI pollock trawl, Bering Sea sablefish pot, and Gulf of Alaska Pacific cod longline. Because the comment period coincides with the holiday season, several commenters have already requested an extension of the comment period to adequately review NMFS' proposed changes to the LOF. In addition, NMFS intends to prepare an environmental assessment on the LOF. Therefore, NMFS is extending the public comment period on the proposed LOF for 2005 from January 3, 2005, to March 4, 2005.

Dated: December 29, 2004.

John Oliver,

Deputy Assistant Administrator for Operations, National Marine Fisheries Service.
