SUPPLEMENTARY INFORMATION:**Proposal to Renew the Following Currently Approved Collections of Information**

1. *Title:* Interagency Charter and Federal Deposit Insurance Application.
OMB Number: 3064-0001.

Frequency of Response: On occasion.
Affected Public: Banks or savings associations wishing to become FDIC-insured depository institutions.

Estimated Number of Respondents: 193.

Estimated Time per Response: 125 hours.

Total Annual Burden: 24,125 hours.
General Description of Collection: The Interagency Charter and Federal Deposit Insurance Application is used by the

FDIC as a deposit insurance application, and by the OCC and OTS as a charter application. Applications for deposit insurance must provide sufficient information to permit the FDIC to consider certain factors which are listed in section 6 of the FDI Act. These factors include: the financial history and condition of the depository institution, the adequacy of its capital structure, its future earnings prospects, the general character and fitness of its management, the risk it presents to the relevant insurance fund, the convenience and needs of the community to be served, and the consistency of its corporate powers. All depository institutions seeking insurance must follow the same procedures.

2. *Title:* Notice of Branch Closure.

OMB Number: 3064-0109.

Frequency of Response: On occasion.

Affected Public: Insured depository institutions.

Estimated Number of Respondents: 1,364.

Estimated Time per Response: 2.4 hours.

Total Annual Burden: 3,028 hours.

General Description of Collection: An institution proposing to close a branch must notify its primary regulator no later than 90 days prior to the closing. Each FDIC-insured institution must adopt policies for branch closings. This collection covers the requirements for notice, and for policy adoption.

Request for Comment

Comments are invited on: (a) Whether these two collections of information are necessary for the proper performance of the FDIC's functions, including whether the information has practical utility; (b) the accuracy of the estimates of the burden of the information collections, including the validity of the methodologies and assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the information collections on respondents, including through the use of automated collection techniques or other forms of information technology. All comments will become a matter of public record.

Dated at Washington, DC, this 5th day of January, 2005.
