On September 16, 2004, the Board of Directors ("Board") of the Issuer approved a resolution to withdraw the Issuer's Securities from listing and registration on the BSE. The Issuer states that the following reasons factored into the Board's decision to withdraw the Securities: (i) The nature and extent of trading in the Issuer's Securities on the BSE is limited; (ii) the market value the public markets are applying to the Issuer's Securities; (iii) the lack of institutional investor interest and securities analyst coverage of the Issuer; and (iv) the costs associated with maintaining a listing on the BSE. The Issuer states that the Securities currently trade on the OTC Bulletin Board.

The Issuer states in its application that it has complied with BSE procedures for delisting by complying with all applicable laws in effect in the State of Oregon, the state in which it is incorporated. The Issuer's application relates solely to withdrawal of the Securities from listing on the BSE and from registration under section 12(b) of the Act,³ and shall not affect its obligation to be registered under section 12(g) of the Act.⁴

Issuer Delisting; Notice of Application of the Procter & Gamble Company To Withdraw Its Common Stock, \$1.00 Par Value, From Listing and Registration on the National Stock Exchange

January 6, 2005.

On December 16, 2004, the Procter & Gamble Company, an Ohio corporation ("Issuer") filed an application with the Securities and Exchange Commission ("Commission"), pursuant to section 12(d) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 12d2-2(d) thereunder,² to withdraw its common stock, \$1.00 par value ("Security"), from

listing and registration on the National Stock Exchange ("NSX").

The Board of Directors ("Board") of the Issuer approved a resolution on December 14, 2004 to withdraw the Issuer's Security from listing and registration on the NSX. The Board states that the following reasons factored into its decision to withdraw the Issuer's Security from the NSX; (i) the Security will remain listed on the New York Stock Exchange, Inc. ("NYSE"), which accounts for considerably higher trading volume than the NSX; (ii) maintenance of multiple listings requires significant time and expense in ensuring compliance with the rules and disclosure requirements of both exchanges; and (iii) the benefits of continued listing on the NSX do not outweigh the incremental cost and administrative burden.

The Issuer stated in its application that it has complied with the NSX's rules governing an issuer's voluntary withdrawal of a security from listing and registration.

The Issuer's application relates solely to the withdrawal of the Security from listing on the NSX, and shall not affect its continued listing on the NYSE or its registration under section 12(b) of the Act.³

Any interested person may, on or before February 2, 2005, comment on the facts bearing upon whether the application has been made in accordance with the rules of the NSX, and what terms, if any, should be imposed by the Commission for the protection of investors.
