Foreign-Trade Zones Board

[Docket 1-2005]

Foreign-Trade Zone 45—Portland, OR, Application for Subzone, Epson Portland Inc. (Inkjet Cartridges), Hillsboro, OR

An application has been submitted to the Foreign-Trade Zones Board (the Board) by the Port of Portland, grantee of FTZ 45, requesting special-purpose subzone status for the inkjet cartridge manufacturing facility of Epson Portland Inc. (EPI), in Hillsboro, Oregon. The application was submitted pursuant to the provisions of the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR part 400). It was formally filed on January 4, 2005.

The EPI facility (1 building, 184,492 sq. ft. on 16.61 acres) is located at 3950 Aloclek Place, Hillsboro, Oregon. The EPI plant (455 employees) is used for warehousing and manufacturing of inkjet cartridges (which includes the production of plastic injection molded cartridge parts); activities which EPI is proposing to perform under FTZ procedures.

Foreign-sourced materials will account for some 50 to 55 percent of

total materials used in production, and may include items from the following general categories: ink (HTSUS 3215.11 and 3215.19), cleaning liquid for printers (3402.19), polypropylene colorant (3901.20), polypropylene resins (3902.30), labels and label tape (3919.90), sealing film (3920.10), tape (3920.62), silicone sheet (3920.99), urethane foam (3921.13), poly bags (3923.21), seals (4016.93), vent film (5911.10), seals/valves/springs (7320.10), nylon filters (8421.19), and ink degassing modules (8421.21).

Zone procedures would exempt EPI from Customs duty payments on foreign materials used in production for export. Some 60 percent of the plant's shipments are currently exported. On domestic sales, the company would be able to choose the duty rates that apply to the finished products (HTSUS 8473.30, duty-free), rather than the duty rates that would otherwise apply to the foreign-sourced materials noted above (duty-free to 6.5%, weighted average—3.4%). The application indicates that the savings from zone procedures will help improve the plant's international competitiveness.

In accordance with the Board's regulations, a member of the FTZ Staff has been designated examiner to investigate the application and report to the Board.

Public comment is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board's Executive Secretary at one of the following addresses:

1. *Submissions via Express/Package Delivery Services:* Foreign-Trade-Zones Board, U.S. Department of Commerce, Franklin Court Building—Suite 4100W, 1099 14th Street, NW., Washington, DC 20005; or

2. *Submissions via the U.S. Postal Service:* Foreign-Trade-Zones Board, U.S. Department of Commerce, FCB—Suite 4100W, 1401 Constitution Avenue, NW., Washington, DC 20230.

The closing period for their receipt is March 21, 2005. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period (to April 4, 2005).

A copy of the application and accompanying exhibits will be available for public inspection at the Office of the Foreign-Trade Zones Board's Executive Secretary at address Number 1 listed above, and at the U.S. Department of Commerce Export Assistance Center, One World Trade Center, 121 S.W. Salmon Street, Suite 242, Portland, Oregon 97204.

Dated: January 6, 2005.

Dennis Puccinelli,

Executive Secretary.

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: January 18, 2005.

FOR FURTHER INFORMATION CONTACT: Jeff Pedersen or Drew Jackson, AD/CVD Operations, Office 4, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone (202) 482-2769 or (202) 482-4406, respectively.

SUPPLEMENTARY INFORMATION:

Background

On August 30, 2004, the Department of Commerce (the Department) published in the **Federal Register**, a notice announcing the initiation of an administrative review of the antidumping duty order on Polyethylene Terephthalate Film, Sheet and Strip (PET Film) from India covering the period July 1, 2003, through June 30, 2004. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 69 FR 52857 (August 30, 2004) (*Initiation Notice*). The review was requested by Dupont Teijin Films, Mitsubishi Polyester Film of America, and Toray Plastics (America), Inc., (collectively, the petitioners), and respondents, Garware Polyester Limited (Garware) and Jindal Polyester Limited (which is currently doing business as Jindal Poly Films Limited of India (Jindal)). The review covers the following companies: Polyplex Corporation Ltd., Jindal, Ester Industries Ltd., Flex Industries Ltd., Garware, SRF Ltd., and MTZ Polyesters Ltd. *See Initiation Notice*. On September 24, 2004, the petitioners withdrew their request for an administrative review of Polyplex Corporation Ltd., Jindal, Ester

Industries Ltd., Flex Industries Ltd., Garware, SRF Ltd., and MTZ Polyesters Ltd. On November 9, 2004, Garware withdrew its request for an administrative review. On November 23, 2004, Jindal withdrew its request for an administrative review.

Rescission of Review

Section 351.213(d)(1) of the Department’s regulations provides that the Department will rescind an administrative review if the party that requested the review withdraws its request for review within 90 days of the date of publication of the notice of initiation of the requested review, or withdraws its request at a later date if the Department determines that it is reasonable to extend the time limit for withdrawing the request. On September 24, 2004, November 9, 2004, and November 23, 2004, the petitioners, Garware, and Jindal, respectively, submitted letters withdrawing their requests that the Department conduct an administrative review covering the period July 1, 2003, through June 30, 2004. Accordingly, the Department is rescinding the administrative review of the antidumping duty order on PET Film from India covering the period July 1, 2003, through June 30, 2004, because all the parties that requested administrative reviews have withdrawn their requests within the 90-day period. The Department will issue appropriate assessment instructions to U.S. Customs and Border Protection within 15 days of publication of this notice.

This notice serves as a reminder to parties subject to the administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under the APO in accordance with section 351.305(a)(3) of the Department’s regulations. Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

This notice is in accordance with section 777(i)(1) of the Tariff Act of 1930, as amended, and section 351.213(d)(4) of the Department’s regulations.

Dated: January 10, 2005.
