1. Criteria

- Need of the IHS. Applicants are considered for scholarship awards based on their desired career goals and how these goals relate to current Indian health manpower needs. Applications for each health career category are reviewed and ranked separately.

- Faculty/Employer Recommendations (30 points). Applicants are rated according to evaluations by faculty members and current and/or former employers regarding the applicant's potential in the chosen health related professions.

- Stated Reasons for Asking for the Scholarship and Stated Career Goals (30 points). Applicants must provide a brief written explanation of reasons for asking for the scholarship and of their career goals. The applicant's narrative will be judged on how well it is written and content.

- (ii) Serves the Tribe in which the recipient is enrolled.

In summary, all recipients of the Indian Health Scholarship (Health Professions) are reminded that recipients of this scholarship incur a service obligation. A recipient of a scholarship under the health Professions Pre-graduate and Health Professions Preparatory Scholarship authority must maintain a good academic standing each semester/quarter and be a full time student (minimum of 12 credit hours or the number of credit hours considered by your school as full-time). In addition to the two requirements stated above, a Health Professions Scholarship program grantee must be enrolled in an approved/accredited school for a health professions degree. Part-time students for the three scholarship programs must also maintain a 2.0 cumulative GPA and must take at least 6 credit hours each semester/quarter but less than the number of hours considered full-time by your school. Scholarship grantees must be approved for part-time status at the time of scholarship award. Scholarship grantees may not change from part-time status to full-time status or vice versa in the same academic year. The following reports must be sent to the IHS Scholarship Program at the identified time frame. Each scholarship grantee will be provided with an IHS Scholarship Handbook where the below needed reports are located. If a scholarship grantee fails to submit these reports as required, they will be ineligible for continuation of scholarship support and scholarship award payments will be discontinued.

Within thirty (30) days from the beginning of each semester or quarter, scholarship grantees must submit a Recipient's Enrollment and Initial Progress Report (Form F-02 of the student handbook).

B. Transcripts

Within thirty (30) days from the end of each academic period, *i.e.*, semester, quarter, or summer session, scholarship grantees must submit an Official Transcript showing the results of the classes taken during that period.

C. Notification of Academic Problem/Change

If at any time during the semester/quarter, scholarship grantees are advised to reduce the number of credit hours for which they are enrolled below the minimum of 12 (or the number of hours considered by their school as full time) for a full-time student or at least 6 hours for part-time students; or if they experience academic problems, they must submit this report (page F-04 of student handbook).

D. Change of Status

- **Change of Academic Status.** Scholarship Grantees must immediately notify the IHS Area Coordinator if they are placed on academic probation, dismissed from school, or voluntarily withdraw for any reason (personal or medical).

- **Change of Health Discipline.** Scholarship Grantees may not change from the approved IHS Scholarship Program health discipline during the school year. If an unapproved change is made, scholarship payments will be discontinued.

- **Change in Graduation Date.** Any time that a change occurs in a scholarship grantee's expected graduation date, they must notify their IHS Area Coordinator immediately in writing. Justification must be attached from the school advisor.

VII. Agency Contacts

Please address application inquiries to the appropriate IHS Area Coordinator. Other programmatic inquiries may be addressed to Mr. Jess Brien, Chief, Scholarship Branch, Indian Health Service, 801 Thompson Avenue, Suite 120, Rockville, Maryland 20852; Telephone (301) 443-6197. VIII. Other Information

Regulations at 42 CFR part 36.304 provide that the IHS shall, from time to time, publish a list of health professions eligible for consideration for the award of Indian Health Professions Preparatory

and Pregraduate Scholarships and Indian Health Scholarships (Professions). Section 104(b)(1) of the IHCA, as amended by the Indian Health Care Amendment of 1988, Public Law 100-713, authorizes the IHS to determine specific health professions for which Indian Health Scholarships will be awarded.

Interested individuals are reminded that the list of eligible health and allied health professions is effective for applicants for the 2005-2006 academic year. These priorities will remain in effect until superseded. Applicants for health and allied health professions not on the above priority list will be considered pending the availability of funds and dependent upon the availability of qualified applicants in the priority areas.
